

Bond Issue, New Office Discussed By Board

Additions to Wilson,
Maryville Possible;
3 Other Crowded Areas

A bond issue program including additions to the Wilson and Maryville grade schools and a new administrative office building was listed as a possibility Tuesday night as the Granite City school board discussed future plans.

The two schools, occupied for the past year and a half, are crowded and were built with basic facilities large enough to accommodate additions. The three other areas with enrollment problems are the Namecki, Frohardt and Mitchell grade schools, it was reported.

The Maryville and Wilson schools were among four buildings erected under a bond issue passed in 1937. The initial post-war construction program began in 1952. Now, the board is moving in the direction of proposing a third bond issue and Supt. Harold M. Kaiser expects to complete a preliminary report to the board by March.

Typically located in the high school, central administrative offices were moved two years ago to the ground floor of the Labor Temple building under a lease arrangement.

The discussion began with Board Member Monroe Worthen suggesting that the district construct an office building. Board President Homer Huber endorsed the plan and suggested that it be made a part of the next bond issue.

Sees Saving In Rent
Worthen noted that the district is paying \$4500 a year for office space. If it could be built for \$45,000, they would be saving \$40,500 a year, he said.

"I don't think we could do it in excess of \$45,000," Worthen said, and Huber commented, "I wouldn't rent that much." Plans for a separate office originally involved more storage space than has proved necessary, Huber said, adding that cost estimates obtained on erecting a building were for more space than is needed.

"Your point is well taken," the board president responded, adding that "I'm sure all of the board feels that if we get into a bond issue we could include it. I don't think we should do it by itself." He related that offices could be built without voter approval if funds were available and the structure could be attached to an existing school building.

Pinpointing the five problem areas, Dr. Kaiser suggested enrollment is not anticipated at some schools, but their location may not offer the best solution to the existing overcrowding.

"Squeeze" Next Fall
The study nearing completion will include possible school building boundary revisions and a realistic report on the location and location of residential construction plans, he reported, adding that children's enrollment is expected to increase.

Local Union Leader Is Honored By Builders

Service Award Plaque
Goes To Carpenters'
Agent Eugene Ellberg

A local union leader, Eugene P. Ellberg, business agent for Carpenters' Local 633, was honored last night at Belleville by the Southern Illinois Builders Association, whose president, J. J. Altman, presented him with the SIBA's coveted meritorious service award for 1960.

Altman pointed out the award is given to individuals who are outstanding in their line of endeavor. Ellberg is the first union leader to receive one of the plaques.

Ellberg had been invited to the dinner meeting as a guest of the local contractors and was seated at a table in the rear of the large meeting hall when the surprise announcement was made.

In receiving the plaque, Ellberg said he was "completely but pleasantly surprised." It's the first time I've received something like this in the 15 years I've been in the business, he said.

In presenting the award, Altman, an East St. Louis contractor, told the audience that Ellberg had "accomplished much during 1960 in creating a better climate in which construction flourishes."

The store, operated by a son, Herbert Schermer, has been at its present location for five years. Previously, the business was located at 3311 Nineteenth street, near the high school.

He was a member of the Elmer Amosyn Synagogue in St. Louis, a member of the Tri-Cities Club, Elmer Lodge 1077 and a member of Masonic Lodge 877 in Granite City.

Survivor of his wife, a daughter, Mrs. Ben (Miriam) Allen, Clayton, Mo.; two sons, Sidney and Herbert, University City, Mo.; three brothers, Peter, who lives in St. Louis, and two others, one in St. Louis and one in St. Charles.

Funeral services were held yesterday at a St. Louis funeral home with burial at St. Paul Cemetery. Arrangements are given in the obituary column.

Work Efficiency of Building Unions Improving In Area

The work efficiency of building unions members employed in the East Side industrial district showed further marked improvement in 1960, John C. Fallon, executive director of the National Association of Building Contractors Associations, said today in the Council's annual report.

COCA has its office at 38 Granite City at 1930 Edison street. Fallon said there was virtually no time lost in the district as a result of jurisdictional disputes between various building unions.

Fluoridation may be on a special ballot in the April 4 city election in Granite City. The city council will vote Monday night for a special ballot resolution to be prepared and submitted to the voters at the election.

The proposal was made by Alvin J. Sam, city attorney, who said he had conferred with the city attorney on the matter. "We have put it on a special ballot, and the outcome would not be a problem for the construction industry in the district but a local problem," he said.

Fluoridation of the city's water supply was discussed by the city council at its last meeting and then dropped. Appearing before the aldermen at that time were representatives of the local dental and medical societies favoring the program designed to reduce tooth decay and other dental problems.

Motorist Takes Fire To Firemen

Granite City firemen encountered a switch in operations yesterday. The fire came to them.

Harry Rutan dashed into the fire house at 1:30 p.m. and told firemen the interior of his car was ablaze. He was driving along Madison avenue when smoke began pouring from the back seat. He opened a window, but the wind fanned a small flame.

Rutan of 2011 Twelfth street drove to the main station, where firemen encountered the blaze. Although the rear of the driver's seat was smoldering, he escaped without injury. Damage was estimated at \$500. He told firemen a cigarette might have caused the fire.

More Snow Early Today; 6 Injured, 18 Auto Crashes

Eighteen traffic accidents occurred in the Quad-Cities this week, with six of them resulting in injuries, as ice remained on local streets and three more inches of snow fell early this morning.

Ten persons were hurt in the six crashes, including four in a mishap reported after today's snowfall began.

Four persons were treated at St. Elizabeth Hospital early today after the car in which they were riding slid on ice-covered trolley tracks and skidded into a parked car in the 1400 block of Madison avenue.

Injured were the driver, Marvin Post, 31, of 1920 Troy street, Madison, who suffered a cut to his forehead and bruises and abrasions; and three passengers: Mrs. Doris Post, 43, also of 1920 Troy street, cuts to her face and bruises and abrasions; Frank Elcor, 28, of 1612 East 27th street, a cut to her lower lip.

William Post was driving south when his auto skidded out of control. The parked car belonged to Bernard John Wood, 52, of Normandy, Mo.

Former GC Mayor Hurt
Cuts to his forehead were suffered Tuesday evening by Robert E. Robertson, 47, of 2860 Madison avenue, when his auto skidded on the icy pavement and struck a tree and utility pole as he was going north on Madison avenue and making a left turn onto 29th street.

Robertson, a former Granite City mayor, was alone in the car. He was admitted to St. Elizabeth Hospital for x-rays and treatment. Police said there was no damage to the front of his auto, which was towed away.

50-60 Gallon Tank Missing

A 50-60 gallon tank containing about 75 gallons of bottled gas was reported missing Tuesday night from the south side of the Lady Bird street, 1339 Madison avenue, yesterday afternoon to Granite City police by the proprietor, Philip "Buck" Sykes.

Theft of his 1950 blue sedan from a parking lot at Niedringhaus avenue and Cleveland boulevard was reported by Sykes to police about 8:20 p.m. Wednesday by Roland Kinsley, 2403 Dewey avenue.

Two pay telephones were ripped out of booths at Ponton Beach near Ponton road, Lake Drive, according to a report made yesterday morning to the sheriff's office. The money

check out until the public votes on the issue themselves. "Whitmer, who said he had asked a number of aldermen on fluoridation before the meeting, said, 'Some aldermen are changing their tunes now. A different fiddle is being played. Some of you who were for this before are now saying we seem to have changed.'"

Nonn then suggested members decide the issue themselves at the Feb. 6 meeting instead of waiting for an election. "There are eight aldermen running for election and they've got to run on their voting records."

However, Whitmer's motion remained on the floor for preparation of a resolution. It was approved by a 10-2 vote, with Nonn and Basarich opposed. Those voting for preparation were: Charles Meyer, Donald Batney, Paul Rutledge, Casmer Stokich, Ernest Davis, and

Arthur Wieser, Shackelford and Arthur Vessell. Absent were Alderman Estill V. Schmitt, Rulus McMaster and Robert Gaus.

City May Seek Loan To Study Pollution

Repairs To 20th Street
Sewer Planned; Council
Hails Nemeth's Pay

Application for a \$12,400 federal loan on an engineering study on river pollution abatement is under consideration by Granite City council members, who Monday night placed the application on first reading.

Council members also instructed Mayor Davis to arrange a meeting with Granite City Steel Co. officers on sharing cost of an estimated \$70,000 to \$90,000 repair project for the 20th street sewer line, and in other business voted to halt the pay of First Ward Alderman Frank Nemeth effective Feb. 1, to determine if he is a resident of the First or Sixth Ward.

A recommendation that the city apply to the Federal Housing Administration for a \$12,400 loan to study pollution and cost estimates for the city sewer line, and in other business voted to halt the pay of First Ward Alderman Frank Nemeth effective Feb. 1, to determine if he is a resident of the First or Sixth Ward.

Questions Need Answered

Alderman Walter Nonn questioned the need for the city pollution survey and asked if it could not be a duplicate of one submitted to the city by the East Side Levee & Sanitary District.

Engineer J. J. Jeneau pointed out the proposed study would be in data with more complete information available from local industries and their plans for separate pollution abatement systems.

This information, Jeneau said, was available for the survey committee for the levee district. He added that data prepared on Granite City by the levee district's engineers, also would be utilized in holding down costs of the localized study.

Would Give Choice To City
Mayor Davis told council members the purpose of the local pollution abatement study would be to determine if it

5 Men Drafted Today; February Call Canceled

The Quad-Cities reported this morning to the county selective service office in Edwardsville for armed forces induction and another group of youths were called for pre-induction physical examinations.

Reported at 6:30 a. m. today for induction were Charles A. Miller, Robert L. Harper, Gerald A. Swartz, and Kenneth D. Tippler of Collinsville, former of Madison, also a volunteer.

The county office has been notified by the state selective service board to cancel all induction calls for February. However, six local youths still will be called to report for pre-draft physicals on Feb. 20.

Induction-Cities' quota for February had been set at three men, who were to have been drafted along with eight others from Madison counties. No reason was given for the cancellation.

NIGHTLY 7:30 PUBLIC INVITED

Teacher Added, 2 Resignations

Continuing to add mid-term graduates, the Granite City school board Tuesday night approved employment of Miss Barbara Berry of Bethalto as a mathematics teacher at Coolidge junior high school effective Jan. 30. She is receiving a bachelor degree from St. Louis University.

Miss Berry will replace Mrs. Patricia Goawa, whose resignation due to family responsibilities was accepted. The board also accepted the resignation of Mrs. Bobbie Schuck as a teacher at Stallings grade school.

Death of Mrs. Fern Washburn, teacher at the Lake grade school, was reported by Supt. Harold M. Kaiser.

The board approved attendance by Miss Frances Lynch, GCHS librarian, at an American Library Association conference Feb. 1-4 in Chicago; Miss Principal Lawrence C. McCutley, National Association of Secondary School Principals meeting, Feb. 11-15 in Detroit; and Louis Meek, music director, Illinois Music Education Association conference, Feb. 24 in Champaign.

Dr. Kaiser reported that data on school insurance has been assembled, with the schools providing details on school contents and the Granite City real estate exchange on school buildings. The exchange is now studying the information and will submit recommendations on possible changes in policies or coverage to achieve savings for the district, he added.

With bidders in service at new schools for about a year, School Engineer Marvin Dean and representatives of the manufacturers will conduct refresher training for head custodians this week, the board was informed.

The superintendent reported that the GCHS basketball team's game tomorrow night will be televised for showing on Sunday. The board accepted a bid from the Century Sports Co., Carbonate, on re-conditioning football equipment. The rates will be \$3.40 a pair for repairing 45 pairs of shoes; \$1.50, cleaning and repairing 21 pairs of hip pads; \$1.50, cleaning and repairing 29 pairs of shoulder pads; \$4.50, re-covering two sets of shoulder pads; \$1.35, cleaning and repairing 47 helmets; and \$1.40, cleaning 40 games pants and 43 practice football pants.

Also accepted was a \$396 bid from Prunty Seed and Grain Co. on supplying 1100 pounds of grass seed. It was decided to seek additional bids on installing a downspout at the high school. Bills approved totaled \$20,077 in the educational fund, \$29,220 in the building fund, \$125 in the transportation fund, \$36,368 in the bond and interest fund, \$46,773 in the new construction fund and \$6,697 in the federal construction fund.

For the April 8 school board election, the filing period will extend from Feb. 22 to March 18, with the withdrawal deadline March 21, Dr. Kaiser reported.

Baccalaureate Sunday For High School Class

Rev. Arvin Twitemeyer, pastor of the Concordia Lutheran Church, will deliver the sermon at Baccalaureate services for the January 1961 class in the Granite City high school auditorium at 8 p.m. Sunday.

Rev. Samuel Rota of St. John's Lutheran Church will offer the invocation and benediction and give Scripture reading, and the GCHS band will play for the professional and recreational of students.

The school's advanced mixed chorus will sing two selections, "Salvation Is Created" and "In Heaven We Love."

E. J. Gordon Injured Tuesday In Fall On Ice

Edward J. Gordon, 73, of 2533 Madison avenue, local plasterer and prospective candidate for the office of Granite City township supervisor, suffered chest and hip injuries when he fell on an icy sidewalk near his home about 8:15 p.m. Tuesday.

He was taken by ambulance to St. Elizabeth Hospital where he was admitted for x-rays and treatment.

Driving Charge

A charge of careless driving at the Bellefonte Village shopping center was placed against James B. Lake, 18, of 127 Hampden street, Venice, who was arrested last night by Granite City police. He posted his driver's license as bond.

Winn Was Free On \$27,000 Bonds When Arrested Here

Bonds totaling \$52,000 were set for Steven L. Winn, 34, of 1912 Harris street, East Madison, whose preliminary hearing has been set for next Monday on three charges filed by a grand jury last Saturday night at the Bellemeore Village shopping center Reese Drug Store.

Winn, who has declined to make a statement, was taken to the county jail at Edwardsville Monday evening after his hearing had been set by Police Magistrate Gasparovic in the afternoon. He remains in the county jail.

Chief of Detectives James R. Lowder said today that several suspects have been questioned and the investigation is being continued. Winn has denied any participation in the stickup.

Chief Lowder said two bottles of capsules which were found on him have been turned over to state narcotics authorities and have been sent to a Springfield laboratory to be analyzed.

Murder Charge Still Pending

Winn, at the time of his arrest here Saturday night, was free on bonds totaling \$7,000, on six charges filed in Madison and St. Clair counties. Among the charges still pending is a murder count filed in June 1958 as a result of a shooting at the former Melody Inn on McCambridge avenue, where he was a bartender at the time. He was indicted on the charge Sept. 4, 1958, and later was freed on \$5,000 bond. The case still is pending.

Also in Madison county, he faces a robbery charge, having been indicted there Oct. 24 for the alleged strongarming of a Granite City man last Oct. 8 near Chouteau Slough. He is freed on \$2,000 bond, and the case is pending.

In St. Clair county, a grand jury is scheduled next Monday to consider a charge of armed robbery placed Nov. 24 against Winn and two other Granite City men, including a woman, in connection with a holdup of the Toast Club in St. Clair county. A shotgun was flourished during the holdup, according to the re-

Committee Gets Data On Other Juvenile Homes

Reports on construction and operating costs of juvenile homes in Kane, Lake and other Illinois counties were submitted yesterday to the Detention Home Committee of the Madison county Board of Supervisors.

William E. Webb, Jr., chairman, presided at the committee meeting at the county courthouse, and the reports were given by County Juvenile Officer James Riedelberger, who visited the other counties at the request of the committee.

Data obtained indicates that a Madison county juvenile detention home would be feasible, the discussion brought out. The committee is preparing a recommendation to be submitted to the county board at a later date.

Fire Damages Bathroom Of Residence In Venice

Fire damaged walls of a bathroom and there was additional damage due to smoke and water at the one-story frame home of the Daniel Kelly family, 102 Logan street, at 11:47 p.m. Wednesday.

Venice firemen put out the blaze, which was attributed to the Daniel Kelly family, 102 Logan street, at 11:47 p.m. Wednesday.

Peak On Tuesday

Low Temperature, High Wind Gas Consumption Record Set

The combination of low temperatures and high winds brought a new record send-out of natural gas by Illinois Power Co. on Tuesday.

By midnight Tuesday, a total of about 224 million cubic feet of gas had been distributed to its customers by the company. This total includes deliveries to customers throughout the entire company.

systems in the Midwest to provide extra gas for its customers on peak days.

Many large industrial customers of the company switch to standby fuels, according to their contracts, during the cold weather, giving residential gas users their traditional first priority.

The interruption of industrial customers, the use of propane plants, and the withdrawal from underground storage fields are important factors in a complex Illinois Power operation known as "peak shaving." This program allows the company to deliver a considerable greater quantity of gas than the supply provided to pipeline capacity, Illinois main-

GC Steel Earnings Down In '60—However, 'Fourth Best'

Granite City Steel Co. earned \$11,121,000 in 1960, or \$2.59 per share of common stock, Nicholas P. Veeder, chairman, president and president, reported at a meeting of the company's board of directors held here Wednesday. The profits reported are based on preliminary and unaudited figures on last year's operation.

The directors declared a first quarter cash dividend of 35 cents per share of common stock, payable March 15, 1961, to stockholders of record Feb. 23. The company paid a 35-cent per share dividend in each of the four quarters of last year.

Veeder said Granite City Steel's 1960 earnings were "the fourth best in the company's history despite the weak market for steel mill products that developed during the year."

Other Year's Earnings

They compare with 1959's earnings of \$10,142,000, or \$2.29 per common share, based on the present number of shares outstanding. In 1958, the last year prior to 1960 in which the demand for steel fell, Granite

40 To Attend Home Builders Convention

More than 40 members of the Southern Illinois Home Builders Association will attend the 17th annual convention in Chicago which runs for six days beginning from Saturday. Included are a number of Quad-Cityans.

Dr. Werner von Braun, noted missile-rocket expert, and Walter Cronkite, CBS television newscaster, and various governmental authorities on housing will be top speakers.

Attending will be Mr. and Mrs. Glenn Wolfe, Mr. and Mrs. Wayne Barber, Mr. and Mrs. Donald Gery, Mr. and Mrs. William Purdy, Mr. and Mrs. Harvey Boettner, Mr. and Mrs. Robert Brainerd.

N. Deedle, Mr. and Mrs. Joseph Barnes, Mr. and Mrs. Marshall Klemme, Mr. and Mrs. John Storey and son, Mr. and Mrs. William Schuck, Leo Wolf, Mr. and Mrs. John Schuck, Mr. and Mrs. Richard Smiley, T. Jun and son.

known about are certain to cause an enrollment "squeeze" next September.

Board Member Robert Spengler cited plans for a 300-home development near a Long Lake site owned by the school district.

Dr. Kaiser pointed out that Maryville and Wilson have cafeterias, heating plants and other facilities suitable for nine-classroom additions, and Huber said such additions "possibly might alleviate the situation."

Possible downgrades in construction will be given careful study to ensure against the school system "over-building" classrooms, the superintendent said.

"Tomorrow (Wednesday) I'm going to Springfield to talk with the legal advisor on use of school funds for construction or for modification of existing buildings," Dr. Kaiser reported.

No Jr. Sr. High Problem

He told the board that it is planned to handle an increase in junior high school enrollment next fall by assigning more students to Central, which currently has only 322 pupils.

"At the senior high, we probably would have had some sort of shift program by next year. But with the federal additions, there should be no problem for four or five years," Dr. Kaiser said.

Possible acquisition of land near Mitchell grade school was discussed briefly, with no action taken.

Widening Part Of McCambridge Ave. Proposed

The Madison city council Tuesday passed a resolution to annex a small portion of McCambridge avenue at the tip of the east city limits in an effort to clear the way for future resurfacing and widening and have the thoroughfare redesigned as an arterial street.

The project, a joint effort by Madison and Granite City has been under consideration for some time. Mayor Stephen Maerz said, adding that engineers from the two municipalities have laid groundwork to have high voltage line standards moved back. The annexed section is described as "abandoned railroad property."

The power standards are owned by Union Electric Co. and the mayor said, the company is in accord with the plans.

40-Foot Width

The street, which lies in the corporate limits of Granite City and Madison, will be widened to 40 feet and resurfaced, with curbs and gutters put in and a sidewalk added on the east side of the street.

The street is now about 15 or 20 feet wide and when improved should ease traffic conditions on Madison avenue, since it will allow Granite City Steel Co. workers to travel directly on McCambridge to the plant, Maerz told the council.

Next step will be to apply for redesignation of the street in an effort to gain state arterial approval, so that most expenses can be borne by motor fuel tax funds.

If approved, plans will go forward to advertise for bids, and work on the street could begin sometime this year, the mayor reported.

Financing would be by both cities.

The area to be widened is north of the Edwardsville road intersection. It formerly carried Illinois Terminal Railroad interurban trains.

Hearing On RR Crossing Repairs Set For Feb. 1

(Special from Springfield)

A hearing requested by the Granite City council in a move to secure repairs to railroad crossings of five railroads has been set for 10 a. m. next Wednesday, Feb. 1, at Springfield for the Illinois Commerce Commission.

Announcement of the hearing time and date was made yesterday at Springfield, and representatives of the railroad as well as the city are being notified.

The application by the city asks for an ICC order for repairs, improvements and permanent maintenance at all rail crossings in the city.

American Steel Earnings Up; Order Backlog Down

At its annual stockholders' meeting held Tuesday in Chicago, American Steel Foundries reported both net income and sales were larger in its first 1961 fiscal quarter ended Dec. 31, 1960, than in the same period a year ago.

President, told shareholders the company had net income of \$1,688,962 or 54 cents per share in the three months ended Dec. 31, 1960, compared with \$1,542,462 or 53 cents a share a year ago.

Strike A Year Ago

First quarter ASF sales increased to \$28,390,001 from \$27,265,135 last year. Both sales and earnings in the first fiscal quarter a year ago were adversely affected by the strike in the basic steel industry.

The December 1960 quarter ASF was affected by the general decline in industrial production, Lauterman said. The company's backlog of unfilled

orders dropped to \$18,000,000 at Dec. 31, 1960, from \$25,000,000 at Sept. 30, 1960.

Sales Expected To Drop

"With this drop in backlog, sales and earnings in the quarter ending March 31, 1961, are expected to be less than in the quarter just ended and could well be the low point in the current year," the ASF president predicted. However, he added, "If there is an upturn in the general economy in late spring, results in the third and fourth fiscal quarters should show improvement."

Lauterman announced the retirement of Charles C. Jarchow, chairman of the board, and president from 1949 to 1959 and chairman since that time. He will continue as an ASF director. The vacancy created by Jarchow's retirement will not be filled.

West Granite Ceremony, Holds Award

Cub Pack 7 of St. Joseph's Church held the first meeting of the year Tuesday evening in the church basement.

Cubmaster John Windmiller opened the meeting with prayer and all joined in the pledge of allegiance to the flag.

Announcements of coming activities included the Blue and Gold Banquet to be held Feb. 5 in the church basement and the festivities during Boy Scout Week Feb. 7-13.

During the evening a Bobcat ceremony was conducted for Fred Reinhardt, who was welcomed into the Pack, and the following Cub Scouts, Alan Stockert, James Verduin, Jr., Paul Caban and Michael Paladini, who are advancing into Webelos, were given a "Grand Howl" by the Pack.

Awards were presented to Paul Caban, Michael Paladini, Edmund Bartosik, Richie Hanley, Steve Horvath, Michael Burns, James Perdue Jr., and Alan Stockert. Recreational patches were awarded to Michael Colligan, Michael Paladini, Michael Thornton, Tim Hobbs, Paul Caban, Michael Burns, Matthew Casparovic, Steve Horvath, Richie Hanley, Tom Hildebrand and Marc Campbell. A two-year pin was given Alan Stockert.

Slits were presented by Den Three and Five, led by Den Mothers Irene Campbell and Betty Thornton, and refreshments were served to the Cub Scouts and their parents. The meeting closed with the song "God Bless America."

ing in a 20 to 25% increase in efficiency.

The East Side Industrial district, at one time, had a reputation for high construction costs that retarded its industrial development. In 1958, however, building unions and contractors signed a unique agreement themselves to eliminate featherbedding and reduce unnecessary labor costs. The Council of Contractor Associations was formed in 1959 to provide general and special contractors with help in coordinating their once-separate approaches to mutual problems, and to work for further improvement in labor relations and construction efficiency.

"The Council of Contractor Association will continue to work for better understanding between contractors and labor unions of each other's problems and viewpoints," Fallon said. "There are thousands of acres of first-rate plant sites in the East Side industrial district. The district has become one of the most promising locations in metropolitan St. Louis for new industrial plant construction now that it has overcome its one-time reputation for high construction costs."

The Contractor Associations that belong to the Council are: East St. Louis Mason Contractors Association; Southern Illinois Plastering Contractors Association; Construction Employers Council; Southern Illinois Builders Association; Southern Illinois Electrical Contractors Council; Southern Illinois Contractors Association; and Illinois Chapter, National Electrical Contractors Association.

The Association's work is also supported by large industries in the East Side industrial district. Their plant expansions are responsible for most of the construction that goes on in the district.

Madison Council To Seek Bridge 'Bird Proofing'

Plans were discussed Tuesday by the Madison city council to "bird proof" the superstructure of the Chain of Rocks Bridge, which is owned by the city.

A contract was submitted by the Bird Repellent Co. of Des Moines, Iowa, to guarantee 90% elimination of starlings within 10 days and complete elimination of pigeons within eight months.

The company is the same firm which has sought to rid downtown St. Louis of its bird problem.

A secretive process is used in getting rid of the birds and conforms with standards set up by the Humane Society, Mayor Stephen Maerz said.

Cost of the project was set at \$15,800, with a \$300 down payment and payments of \$50 a month.

Seek Cheaper Method

The council, however, decided to take the contract under advisement and voted to seek less expensive methods in chasing away the birds.

Mayor Stephen Maerz said a less costly project might not prove effective enough to satisfy motorists who are affected by the birds. But he said:

"It would be best to seek other sources, to discover the best method."

Ray Kozielek, Third Ward alderman, said he had heard of a high-frequency pitch that scares away the birds, and said it might be the most economical.

However, he added, he does not know how effective the method might be.

"At any rate, we ought to give it a try," he commented.

Most of the birds roost on the Missouri side of the bridge and are becoming a growing nuisance to motorists, the mayor reported.

Seek Arterial Removal

In other action, the council passed a resolution to remove Highland avenue, from Second street to Third street, from its status as an arterial street.

The street is barricaded and is used as part of a playground area. A copy of the resolution was forwarded to the state highway engineer's office for approval.

Also, the council voted to condemn a one-story frame dwelling at 115 West Second street on grounds it constitutes a fire hazard. The council authorized the city building inspector to order the building removed within 30 days.

\$175,000 Injury Suit Filed Against ITR

Henry S. Mitchell of Alton filed this week a \$175,000 personal injury suit in circuit court in Edwardsville against the Illinois Terminal Railroad Co.

Mitchell claims that last Oct. 28, while he was working as a switchman for the railroad in the vicinity of the A. O. Smith Corp. Plant his left leg was crushed, resulting in amputation. He also claims injuries to his left hip and back. The suit was filed by an East St. Louis attorney.

Magin Ordered To Surrender By Feb. 1

Sam Magin, a lieutenant of gang leader Frank (Buster) Wortman, this week was ordered to surrender himself to the U. S. marshal in East St. Louis on or before Feb. 3, 1961, on a three-year prison term for perjury.

Federal Judge William Juergens in East St. Louis denied Tuesday an application on behalf of Magin to extend probation on one count of a two-count perjury conviction to cover the period on which he was sentenced to three years in prison.

Magin was convicted in 1959 but has remained in custody. He appeals to the federal court in East St. Louis, the U. S. Court of Appeals at Chicago and the U. S. Supreme Court.

He further sought and was granted a delay in beginning the prison sentence to permit him to get personal affairs in order. He was ordered to surrender himself to the marshal on or before noon Feb. 3.

Magin was found guilty Oct. 2, 1959, by a grand jury for denying he had business relations with Elmer (Dutch) Dowling, another Wortman aide, during a grand jury investigation of Wortman's financial affairs.

The government contended he was associated with the racket boss in a million-dollar-a-year policy game, several gambling casinos, including some in the Quad-Cities area, and real estate ventures.

On May 15, Magin, Wortman, Dowling and three other Wortman associates were indicted before Judge Juergens on income tax evasion charges.

One Driver's License Revoked, 3 Suspended

A driver's license revocation and three suspensions have been ordered for Quad-City area motorists. It was announced today by the secretary of state's office at Springfield.

The license of Jackie A. Johnson, 2121 Cleveland Blvd., was revoked for reason of three driving violations.

Suspensions were given to Joseph A. Wozniak, 2909A Buxton Avenue; Gary E. Webster, 800 Washington Avenue, Madison; and John H. Dorsey, 1215 B. S. Bell Street, Venice, also for reason of three violations.

Grain Elevators Being Redesigned; Bid Call Delayed

A 60-day delay in calling for bids for construction of two grain elevators at the proposed \$24,000,000 to \$30,000,000 harbor development here was announced today by Cmdr. John Barron, manager of the Tri-City Regional Port Authority.

Barron said grain firms wanting the facilities were given plans early this morning and called for redesign.

"The plans are now in the hands of the two grain firms and engineers for revision," he explained.

In addition, another firm wanting 100,000 square feet of warehouse space at the harbor site on the Chain of Rocks canal now wants 200,000 square feet.

Barron said. He explained this calls for a revision in the proposed layout of the development in order to meet the prospective customer's needs.

Originally, it was hoped the call for bids for two grain elevators of steel and concrete construction would go out in February. "We anticipate a delay of at least 60 days, but hope to be able to trim that time," Barron said.

"On the warehousing layout changes, Barron said the proposal is to be submitted to the Port Authority commissioners in the near future.

Construction of the seven-million bushel grain elevators is expected to be the first development at the Port Authority site. Revenue bonds are to be issued for the improvements.

Three Petitions Issued For GC School Election

For Granite City school election in the Granite City board election February 4 were obtained this week by Howard W. Kaseberg and Glenn C. Abernethy, incumbent board members whose terms are expiring.

Petitions also were obtained by a woman who said they were for a building at the intersection of Windham or Wingham, Board Secretary Kaseberg said. Supt. Harold M. Kaiser said the name of the recipient was not obtained. Filing will begin Feb. 22.

Commander, Col. and Mrs. John Jeffery, of the Engineer Dept. Veizer was admitted to St. Elizabeth Hospital, where three lower front teeth were removed and treatment was given for a lower lip cut. His condition is described as fair.

Miss Jeffery a passenger was treated at the depot dispensary for a cut over her right eye, and face bruises. Six stitches were used to close the laceration. X-rays were taken of her right jaw.

Veizer's auto was headed south when it skidded on the ice and struck the pole, police reported.

Girl, 6, Hit By Car

A six-year-old girl, Margaret Cain, was admitted to St. Elizabeth Hospital about 4 p.m. Tuesday after being struck by a truck at the 2200 block of Lee Avenue. The girl, a daughter of Mr. and Mrs. Robert Wilson, 2254 Lee Avenue, suffered injuries to her head and right knee.

The girl entered the street in front of her home and was struck by the truck as it was turning right across Lee Avenue, while the auto was being driven south by Frank J. Kierski, 33, of 810 Washington Avenue.

Kierski, who took the injured girl to the hospital, told police the girl entered the street in front of his auto and the car skidded on ice pavement when he applied his brakes and tried to turn.

Girl, 9, Injured

A nine-year-old girl, Nancy Ropac, suffered minor injuries Tuesday morning when a car in which she was riding was involved in an accident with a truck at 27th Street and Grand Avenue.

The truck driver, Donald L. Rivinsburg, 38, of 2316 East 24th Street, told police his vehicle slid on the ice as he tried to stop at the intersection.

The girl, a fourth grader at Niedringhaus school and daughter of Mr. and Mrs. John Ropac, 2538 Grand Avenue, was taken to St. Elizabeth Hospital for X-rays and treatment of bruises. She was a passenger in a car driven by her mother, Mrs. Mary Ropac, 35, who escaped injury.

Police said the car, which was traveling north on Grand Avenue, was struck on the left side and then jumped the curb to knock down a street sign. The truck was traveling east on 27th Street by Riverbush, an employee of Southwestern Bell Telephone Co.

Unidentified Driver Hurt

An unidentified driver suffered a cut to his forehead Monday afternoon in a collision in the 2900 block of East 23rd Street.

The other motorist, Carl O. Beck, 29, of Alton, told police he was driving west on East 23rd Street and stopped to make a left turn into a driveway when the other auto skidded into his car.

Beck said the other driver got out of his car to talk to him, but when Beck examined his car and found no damage, the other driver drove off without giving his name. He was driving a 1957 grey sedan, Beck told police.

A skid on an icy roadway was blamed for an accident occurring about 5:15 a.m. Wednesday in the 3000 block of Iowa Street, involving a parked car.

Robert E. Sturdivant, 33, of 3005 Dale Avenue, told police he was traveling north when his auto skidded into the left front of the parked car owned by C. L. Cavins, 3041 Iowa Street. Sturdivant was unhurt, according to the report.

GREEN SALAD DRESSING

1/2 cup sugar
3 tablespoons water
1 cup salad oil
1/2 cup catsup
Juice of 1 lemon
1 tablespoon vinegar
1/2 teaspoon salt
1/2 teaspoon paprika
1 1/2 teaspoons celery seed
1 tablespoon Worcestershire sauce
1/2 cup grated onion

Cook sugar and water until it spins a thread. Cool. Combine remaining ingredients, add syrup and beat thoroughly. Chill.

Ministerial Group Installs New Officers

The newly-elected officers of the Tri-City Ministerial Association were installed at a dinner meeting Monday evening at Central Christian Church.

The meal was served by the Women's Christian Fellowship, and the installation ceremony was conducted by the retiring president, Rev. James R. Craddock.

The 1961 staff includes Rev. Paul Evans, pastor of First Assembly of God Church, president; Rev. Robert Beatty, First Church of the Nazarene, vice-president; Rev. S. T. Bryant, Good Shepherd Evangelical Church, secretary; and Rev. J. T. Bryant, Trinity Methodist Church, treasurer.

Rev. Evans addressed the group briefly and in his talk set forth the hopes and aims of the Association for the new year.

After the ceremony and talks, Mrs. Evans led the group in song and Mrs. Craddock was in charge of several games. Thirty-seven were present, including the ministers of the association and their wives.

port from David Novack of Chicago, an airport engineer, who reviewed financial arrangements, surveys and other steps necessary to establish and operate a metropolitan airport.

Novack described in detail the operation of O'Hare Field, Chicago. No action was taken by the mayor's council, who have discussed establishing an airport financed by St. Clair and Madison counties.

Other methods of obtaining a major airport in the Illinois metropolitan area are under study by other groups.

Meeting on Transit Plan

Several mayors expressed opposition to a unified transit proposal, and Granite City Mayor Leonard Davis, who presided, urged the group to attend a meeting of St. Louis metropolitan area mayors at 8 p.m. Wednesday, Feb. 1, at the Sheraton-Jefferson Hotel, St. Louis.

Davis will be host at the meeting along with James McNary, St. Louis county supervisor, and Vincent Bryan, president of the St. Louis county mayors' organization. It is planned to review a recent report by W. C. Gillman and Co. of New York urging creation of a unified transit system under the Bi-State Development Agency.

No discussion was held last night on a proposal by St. Louis Mayor Raymond Tucker for a publicly-owned city transit system.

More Petitions Go Out To Office Seekers

Candidate filing slowed to a standstill this week in Granite City, but a slight flurry in the issuance of petitions was reported by City Clerk A. L. Stevens.

C. Luther Rudder, 2920 Harding Avenue, city GOP chairman, obtained two petitions for township offices while Winston C. Ruffinell, 1610 East 23rd Street, has petitions for the Second Ward aldermanic post.

Rudder said today he has not yet decided upon the township offices he will seek. "A group of interested people is to meet either this weekend or early next week to decide," he remarked.

"It might file myself for the office of township supervisor," Rudder told the Press-Record, "and the other petition may be for the office of assessor for someone else."

The filing period for the April 4 city-township election closes Feb. 15. All of the candidates to date have filed as independents.

Improved Wood Shop Ventilation Planned At GCCHS

Plans already have been made to construct a new wood shop at Granite City High School with the large ventilating system, additional vocational shops, Supt. Harold M. Kaiser reported to the school Tuesday night.

The project, scheduled for this summer, should solve the removal of dust from air in the shop. It was explained. Such shops present an air purification problem, due to wood shavings.

Dust removal was recommended to the school district in a report by Robert B. Newell, trade and industrial education supervisor on the state superintendent's staff, following a visit here in November.

Automation Re-Training

The report, received this month, also suggested a handbook for night school instruction, a five-year follow-up study of trade preparatory class graduates, continued revisions due to industrial changes, re-training programs for workers replaced by automated equipment and additional time allotted for identifying training needs.

Newell praised Director M. A. Wittevrang and commended Supt. Harold M. Kaiser "for the administration organization plan that has been in operation these past several years. It is apparent that this new organization has given direction to the total school system."

"The status given Mr. Wittevrang permits him to effectively operate an excellent industrial education program. A good example of this effectiveness is reflected in the good teacher morale and better methods of instruction used by these people."

Observations by Newell noted use of detailed study courses at all grades from seventh to twelfth, completion of new shops and installation of new equipment.

Third Largest In State

The local program is third in size in the state to Chicago and Rockford, Rockford has about twice as large an enrollment as the Granite City district, Dr. Kaiser reported.

Acting on bids on industrial arts shop supplies, the board purchased articles totaling \$472 from Foley Lumber Co., \$87 from Sligo Inc., \$206 from Rubelmann Hardware, \$145 from Production Tool and Supply, \$32 from Brodhead-Garrett Co., \$27 from Stanley Industrial Tool, \$23 from Midwest Shop Supplies, and \$17 from Rubelmann-Lucas Hardware.

A new law bid from Chapman Knives and Saws Inc. on a circular saw was accepted.

SIU Purchasing Office Moves To New Campus

The purchasing staff of the new Southern Illinois University branch near Edwardsville has moved into new quarters on the campus.

Previously located at Alton, the purchasing office will operate in an eight-room frame home just off Post road.

The move brings to 12 the number of departments in operation on the campus.

Headed by William Connell, also chief accountant for the Southeastern campus, the purchasing staff includes nine full-time and four student employees.

The accounting staff, which includes five full-time and two student workers, is slated to move into a new campus office sometime this month.

Venice Drops Squeakers To Aviston, Bunker Hill

Inaccuracy from the free throw stripe cost Venice its second MBC Conference loss in as many nights as Aviston slipped by the Red Devils 43-40 on the neutral New Baden court Tuesday night.

Bunker Hill edged the Devils 62-60 Monday in the make-up contest of a game scheduled for last Friday.

Aviston played a controlled ball game, and in the first half led by 10 points. The Red Devils only a couple of shots, leading 34-24 at the end of the quarter.

Venice kept pace as the tempo was stepped up in the second period, and Aviston held a 20-18 halftime lead.

The Devils bounced back in the third period to grab a 30-28 lead, but their inability to sink the one-pointers in the fourth quarter prevented them from closing the final gap.

Lead In Final Quarter

Both teams held the lead several times in the final quarter, but Aviston controlled the ball in the remaining two minutes.

Both teams shot well from the field as Venice connected on 17 of 59 for a 29% average. Aviston hit on 15 of 53 for a like 29% mark.

Aviston, however, tossed in 14 free throws, while Coach Zahn Wells' boys hit only six.

Larry Gray was in his usual scoring form as he pumped in almost half the team's total. Venice scored 18.

Venice grabbed 44 rebounds and Aviston collected 45 from the boards.

Hold Seventh Place

The loss put the Devils overall win and lost record at 1-13, but did not affect their third-place conference standing.

Livingston also lost its contest. Venice is 1-8 in circuit play.

Other varsity scoring — John Koelker 8, John Corrie 6, John Gonterman 4, and James Ebersold and William Shumway 2 points each.

Venice won the Junior varsity tilt 43-41, paced by Jerry Cicio's 15 points.

Bunker Hill By Two

Strengthened by the return of sharpshooter Larry Gray, the Red Devils fought down to the wire, but lost in a photo finish 40-36 to fourth place Bunker Hill in a rescheduled MBC Conference tilt Monday at home.

Venice came on to lead in the final quarter and put the game on even terms with two minutes remaining, but the spurs, but short as Bunker Hill controlled the ball to widen the margin. Two late baskets by the Red Devils won the game.

Gray, who clipped in 21 points, had been out of action for the past five games due to an arm injury, and went into the Monday game carrying a 19.3-percentage point average.

The slender 5'7 back court marksman was joined by John Corrie and John Koelker, who had 15 and 12 points, in pacing the Devils.

Bunker Hill jumped to an 18-13 first-quarter lead, but Venice bounced back to pull up to within one point at intermission, trailing 29-28.

Venice scored 15 points in the third period, but Bunker Hill flipped in 18 to lead 47-43.

Coach Zahn Wells' men outscored the enemy in the final period, 17 to 15.

Both teams were evenly matched in the height department, and struggled for the amount of rebounds from the boards—36.

Venice got fewer shots from the field, but netted more free throws. The Devils hit on 22 of 61 shots for a 36% mark, while Bunker Hill dropped in 16 free throws.

Bunker Hill connected on 46 of 65 attempts, for a 38% average, and made 12 charity throws.

The junior varsity Devils dropped their contest 40-34. Jerry Cicio led his mates with 11 points.

Other varsity scoring — Jim Ebersold 6, Daniel Moad 2, John Gonterman 2, Bunker Hill scoring — Barth 18, Bruckert 11, Baker 10, Knibb 9, Downing 9, Thorne 4, Lovell 1.

Tomorrow night, Venice will be host to second-place St. Paul of Highland. St. Paul tripped the Devils 72-65 Dec. 6, and topped the Venice squad 74-57 in the MBC tournament on Dec. 14.

Madison Hammers Dupo 71-23 For 7th Straight Win

Overcomes Tiger Stalling Tactics With Runaway 28-Point 4th Quarter

Dupo basketball Coach Paul Taylor was the unhappy victim of his own court tactics Tuesday night in Dupo as Madison's Trojans completely demolished the Tigers' stalling game and rocketed to their seventh straight victory and sixth in the Midwestern conference, 71-23.

Not blessed with the hard-work "horses" which made his club a contender last season, Taylor instructed his players to hold the ball against Madison.

But the maneuver came back to haunt him as the Tigers hit only two field goals in the first half and then were snowed under by a second-half Big Green basketball barrage which is fast becoming Madison's stock in trade.

Hrysko Buckets 26

Supplying the spark which ignited a 28-point fourth quarter for the visitors was Backliner Dan Hrysko, who pumped in 12 of his 26 points during the final eight minutes as the Hubertians overcame their hosts by 21 digits.

Madison had experienced from losing the Tigers when Taylor and Co. paid a visit early in December and did not go to the season's low of nine points per game Tuesday night. The Trojans finally pulled that one out when Coach Earl McCannahan called "one of our poorest ballgames."

But after the early siege of "fumbliels" Tuesday, the Trojans did almost everything right.

Ed Walker, who was held to the season's low of nine points and picked up his fourth personal foul early in the third quarter, commanded the boards while he was on the court.

He also blocked eight attempted shots by Dupo, or the "Tigers" low 273 field goal average might have been even lower.

Don Freeman, a clever operator at forward, led the Trojans in as-

Wright Tallies 26, Madison JHS Edges Edwardsville 41-38

Hayes Wright, Madison junior high school's high-scoring forward, pumped in 26 points to lead Stan Serwatka's club to a 41-38 basketball victory in Edwardsville Tuesday night.

Madison led 25-15 at the half and by as many as 15 in the third quarter before Edwardsville pulled back to tie the game at 33-33. Wright, who was in a full-court press, Madison's seventh graders, held scoreless for the remainder of the game, only one point in the first frame, were defeated 45-16 in the preliminary game.

Madison, with a 5-5 record, will host Prather junior high school's seventh and eighth grade squads today at 4 p.m.

Collinsville Rout Prather JHS With Big Second Half

Prather junior high school's 11th graders trailed by only one point at halftime, but fell back in the second half before superior height and shooting in dropping an 81-51 basketball decision to Collinsville's freshman squad Tuesday at the Prather gym.

Bob Miller's Chiefs held Collinsville to 15 points in the first two quarters, which ended with Collinsville leading 32-31. But the visitors pulled back in the third quarter, leading 45-31, which saw them outscore Prather by 29 points.

Leading scorers for the Chiefs, who now have a 4-8 season record, were Larry Lill with 18 points and Ron Lill with 12. Art DeMorro chimed 27 for the undefeated Collinsville club.

Bowland Nudges Latin Quarters In Classic Play

Bowland dropped Latin Quarters into a tie for last place in the Classic Basketball league race Monday night, 55-52. The difference was play in the third quarter, when the winners built up all of their four-point margin.

The two teams played on exactly even terms otherwise. Bob Fike was top scorer in the park district game, getting 22 points for Bowland. Teammate Bob Dillard had 12, while Norman Martinez popped in 15 for Latin Quarters and Ron Parker added 13.

Tonight, Bowland meets the Teachers at 7 o'clock and Friedman plays Spenger Oil at 8:15. Both games are at the Prather junior high school gym.

Braves Win Fourth Straight, Defeat Wood River 58-40

Coolidge junior high school's Braves won their fourth straight basketball encounter at home Tuesday night despite a hot and cold performance. They defeated Wood River 58-40.

Assembly Unbeaten In Church Loop; Sacred Heart Sets 3 Season Marks

First Assembly of God, with Jerry Wintjen and Bud Gossell leading the way, picked up two victories in the Granite City park district's Church Basketball league this week to stay undefeated and up its hold on first place to a game and a half.

On Monday at Prather Junior high school, First Assembly trimmed winless Namsok Meth 53-30, with Wintjen scoring 22 and Gossell 15.

The following evening at the Coolidge JHS gym, Wintjen popped in 22 and Gossell hit 17 in a 59-45 victory over St. Joseph's.

48 Points By Mosby
But the top league performance this week was turned in by Sacred Heart's Ed Mosby, who helped the second-place Hearts bomb Trinity Tabernacle 96-38 by scoring 43 points Monday night at Coolidge. Carl Main scored 24 of Trinity's 38 points.

Sacred Heart's 96-point total

was a record team score in the league this year, as Mosby's individual performance. The Hearts ran away with the game by scoring 38 points in the final quarter, and this, too, was a league high mark.

In the fourth Church encounter this week, St. Bartholomew's remained a contender by stopping St. Joseph's at Coolidge on Monday, 88-60. The winners had three players—Henry Nowicki, Glen Sprankle and Mike Trian—who scored better than 20 points apiece and accounted for 71 between them.

Mercer Mendoza hit 25 for the losers, and also was St. Joseph's top scorer against First Assembly the following evening with 17.

The Church league standings:

Team	W	L	TP	OP
1st Assembly	7	0	471	279
Sacred Heart	5	1	425	279
St. Bartholomew's	4	1	386	205

Madison Frosh Trip Prahrer Despite Lilley's 32 Points

Larry Lilley crammed in 32 points for Prahrer junior high school's ninth grade eagles last night, but Madison high school's freshmen squad had four players in double figures and clipped the losers on their own court, 74-53.

Helping boost Madison's record to 6-1 on the season were Louis Leonard with 20 points, Cecil Bell 19, Louie Brown 17 and John Hadley 12. Joe Asperger's squad held a 34-23 lead at intermission. Lilley was the only player to hit in double figures for Prahrer. Coach Bob Miller, Prahrer coach in West Alton this afternoon, and stands 4-9 going into the game. The Madison frosh travel to Coolidge junior high school next Thursday, while the MHS sophomore team hosts Granite City's second year team on Monday.

Park Board Continues Ice Rink Cost Examinations

Granite City park board members continued to delve into the possibilities of a permanent type artificial ice skating rink here during a board meeting last night.

R. T. Hansen, representing the Barge Ice Refrigerating Co. of Chicago, appeared at the meeting and presented details on firm's construction and the private operation of a permanent rink at Bethlehem, Pa., which is similar to the one the park district hopes to erect locally.

Hansen showed a 45-minute film which dealt with the construction of the Bethlehem rink, and told park board members that the complete cost of such an installation here would be \$150,000.

The rink described by Hansen was 85x185 feet in size, the regulation size of an ice hockey rink, and included a 50x100-foot prefabricated log building to accommodate skaters during the season and also serve as a community center, he said.

Construction time was eight weeks, plus 28 days for the curing of concrete, the company representative added. Most rinks of this type and size realize a yearly profit of about \$10,000 by charging a "nominal" skating fee during the skating season, which runs from mid-November to mid-March, Hansen said.

Operation costs, including electric current used to drive motors which operate ice-forming equipment, average \$400,000 per year," he added.

Hansen agreed to meet with park board members, probably at a special meeting during the week of Feb. 27. At that time he will be able to furnish additional erection, budget and operation cost figures, he said.

During last night's meeting, Park Board Vice-President

Don Worthen, who is president of the war memorial foundation group, said contracts for the design of the fountain, to be located in Memorial Park near St. Elizabeth Hospital, have been awarded to Gabriel and Dulgeroff, architects. Contracts for actual construction of the fountain have not been let.

The board also approved the continuing of the annual July 4th celebration at Wilson Park. Celebration chairmen are Park Recreation Director Harold Brown and Park Board Member Clarence Baumbarger, who said organizations interested in furnishing concession stands for the celebration can make applications immediately. Concession fees to be paid the park district this year will vary with the type of concession stand, the chairman said.

Bids are being sought from firms on the cost of fireworks displays, and plans call for an increase in the number of rides to be offered from six to eight. Bids are being sought for improvements at the Lincoln Place community center, including the replacement of some windows with glass blocks. General repair work and interior painting at the building are already underway.

Undeveloped YMCA Teen Town tightened its grip on first place in the Granite City park district's Senior Teenage Basketball league last night, and the Spartans moved into second place in league action at the Namoki school gym.

Teen Town won by forfeit from Belleme Barbers, who had not been in second place but could not put a complete team on the floor last night.

The Spartans took advantage of the forfeit by defeating Anderson Tye Co. 35-27 and advancing to the runner-up spot.

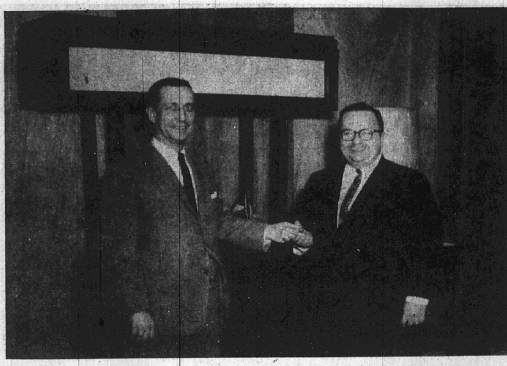

Jerry Weeks hit 12 points for the winners and Tom Ferguson added 11, although the game's high scorer was Anderson Tires' Don Dillard with 14.

The Trojans climbed out of the league cellar with a 58-41 victory over Phil Spencer Studio, which became the last-place club as a result. The Trojans had four players in double figures, led by Jim Ash with 20 points and Richard Kerch with 14. Dave Cross rimmed 19 for Spence Studio, while Al Lewis added 16.

He's a really big man if he places the blame for his downfall where it really belongs.

Cliff Blankenship of A. O. Smith Corp. was elected vice president of the Madison County Safety Council at the organization's annual meeting Tuesday at Wood River. George Odom of General Steel Castings Corp. was elected secretary.

Eugene Barnett, of Dow Metal Products Co., outgoing president, inducted Robert E. Maynard of Alton as new president.

SECURITIES INVESTMENT OFFICE of Dempsey-Tegler & Co. was opened this week in a remodeled building at 121 State street. Albert Gummersch, a general partner of the firm at its national headquarters in St. Louis, is pictured at left presenting the key to George Frangoulis, resident manager of the new office, at the right. They are shown in front of a ticker machine that provides instant stock market news.

2nd Candidate For Aldermanic Post In Venice

One additional filing has occurred for the Venice city election April 18. Eddie Mason, 537 Mercedia street, filed Monday afternoon as an independent candidate for Third Ward alderman.

Also seeking the Third Ward post is Louis D. Ratliff, 505 Mercedia, who is one of eight candidates for the office. The ticket is headed by Dr. John E. Lee, seeking re-election as mayor.

With nine filed for eight Venice offices, no opposition has been developed as yet for the Madison city election. A ticket of nine candidates for nine offices, led by Mayor Stephen Macrae, was filed Monday.

No other petitions have been reported in Venice. Potential Third Ward and Fourth Ward aldermanic candidates in Madison have circulated petitions.

Snow To Be Cleared At Wilson Park Ice Rink

Work is in progress to clear the snow blanket from the Wilson Park ice rink, O. H. Williams, park superintendent, said this morning.

Volunteers were called upon to help in shoveling the snow to open the rink to skating.

At Long Lake, also a skaters' haven, no organized plans have been made to remove the snow.

St. Joseph's Trips Sr. Elizabeth's

St. Joseph's improved its parochial basketball conference record to 5-3 and its overall record to 8-3 by defeating St. Elizabeth's school 49-24 last night at the Sacred Heart gym.

Jack Miller scored 18 points and Tom Miller followed with 17, both for the winners. Doug Windfield's 10 markers topped St. Elizabeth's. The St. Elizabeth's "B" team swept to a 26-5 victory in a preliminary contest.

\$4,605,366 Savings Bond Sales In County In '60

Madison county residents purchased a total of \$4,605,366 series E and H United States Bonds last year, according to Henry D. Karandett of Granite City, general county chairman of the Savings Bonds Committee. This represents 82.2% of quota for the county. The county quota for 1961 has been set at \$4,872,400.

Sales in the state of Illinois of both series in 1960 totaled \$349,825,218, according to T. Merle Paul, State Director of the U. S. Savings Bond Division. This was 2.2% less than sales of \$357,883,773 in 1959.

90.3% of the state's 1960 quota of \$387,200,000 was achieved.

Illinois sales of both series for the year represented 8.0% of national sales which were \$4,350,000,000.

Whitney Ford has appeared in 14 World Series games for the Yankees. The record is seven victories and four defeats.

FREEZING TEMPERATURES couldn't keep these youngsters from braving the raw winter elements as they whizz around the ice rink at Wilson Park. Most of them started out in an upright position, but they didn't always end up that way, as evidenced by the little girl in the center of the photo, who had difficulty in staying on her feet.

4 Newest Schools Built For \$2,465,000; \$40,000 Balance

With all but a few minor items yet to be completed, the Prather junior high school, expenditures under the 1957 Granite City school bond issue program have reached \$2,465,000, a report by Supt. Harold M. Kaiser showed Tuesday night.

Basic funds totaled \$2,447,630 — a \$200,000 bond issue plus a \$247,630 federal grant — but instead of an \$18,200 deficit there is a \$40,000 balance.

Reason for this is that \$43,950 was obtained in interest through investment of funds; \$13,909 was netted from the premium on the bond sale; and miscellaneous income of \$874 provided additional funds.

Reasons For Balance

Dr. Kaiser attributed the balance to "good management of construction funds, close supervision of building construction, limiting changes to a minimum, investment of building funds and the school district's bid procedures."

"Net funds available as of Dec. 27 were \$40,000. This will be used for additional building needs."

The superintendent noted that when construction bids were received in the fall of 1958, it was necessary to trim off \$100,000 of scheduled work because bids were higher than estimated.

Purchase Deleted Items

However, many of the deleted projects have since been carried out, such as purchase of tack boards at a recent board meeting, he commented.

In addition to the Prather seventh, eighth and ninth grades center on West 25th street, opened in the fall of 1960, the 1957 building program included three new grade schools opened in the fall of 1959 — Lake on East 23rd street, Wilson on Wilcox avenue and Maryville on Maryville road. All three handle kindergarten through sixth grade pupils.

Current enrollments are 767 at Prather, 545 at Wilson, 536 at Maryville and 293 at Lake.

SOUTH AMERICAN THEME AT PACK 122 MEETING

The January pack meeting of Cub Pack 122 of the Wilson school PTA was held Monday at the school. The opening ceremony was conducted by Den Two with Mrs. Betty Turner assisting.

"South America" was the theme for short plays presented by all the dens. The clubmaster, Jack Nelson, presented awards earned by Kim Lawson, Billy Cook, Val Semmes, Mace Rodgers, Rex Buzan, Keith Rodgers, Jack Johnston, Gary Epps, Donald Martin, Albert Sharpe, Randy Patrick, Mrs. Lillie Loar and Mrs. Beverly Singlet.

Handicraft displays were presented and Rex Buzan, Phillip Melson, Randy Patrick, Gary Epps, Elbert Shaw, Donald Martin, Frank Vitale, Kim Lawson and Mace Rodgers advanced to the Webelos.

Honor Cubs were Den One, Eddie Luke; Den Two, Jack Johnston; Den Three, Daniel LeBlanc; Den Four, Billy Duckworth; Den Five, Billy Cook and Den Six, Tommy Green.

Cupcakes, coffee and soft drinks were served by Mesdames Hilde Buzan, Jean Harris, Betty Weiler, Eleanor Haggerty, Roni Tolbert, Geraldine Rodgers, Marge LeBlanc and Cleda Mayes. The closing ceremony was conducted by Den Five, led by Mrs. Ruth Cook.

INDIAN DISPLAY FOR CUBS OF PACK 97

Cub Pack 97 of the Good Shepherd EUB Church held its January pack meeting Tuesday at the church. A collection of Indian relics was displayed by Carl Foster. The collection was of relics he dug in the Mississippi Valley area.

A former member of the Miami Indian Dancers group, Tom Meyers, also was a guest. He displayed an Indian ceremonial costume and demonstrated Indian dances. He explained that he had spent about a year with the Winnebago Indian tribe in the Wisconsin Dells.

Den Two, with Mrs. Georgia Howard assisting, presented the opening ceremony. Participating were Randy Howard, Chas. Burgess, Michael Foster, Steven Brown and Den Chief Ricky Smith.

Clubmaster Al Ritchey conducted the business session and continued plans for the pack's participation in National Boy Scout Week.

The "blue and gold banquet" will be held at the church on the regular pack meeting night in February.

Refreshments were served by mothers of Den One, Mesdames Jean Thompson, Erna Bryan, Peggy Moreland and Alma White, and Mrs. Howard.

YOUTH FELLOWSHIP INSTALLS OFFICERS

The Youth Fellowship of the Good Shepherd Evangelical United Brethren Church held an installation of officers for 1961 during a regular meeting Sunday evening at the church.

Installed were: president, Kenny Forsling; vice-president, Elliott Forsling; secretary, Jackie Watkins; and treasurer, Terry Cassy.

The business meeting was conducted by the new president, and plans were made for Youth Week Jan. 30-Feb. 5. A "jalousy raid" and an banquet will be some of the highlights of the event.

Present were the above and Lee Cooper, Gary Inzer, Dick and John Minnemeyer, Paula Dawdy, Kathy and Nina Talley, Laura Mae Loar, Mrs. Lillie Loar and Rev. B. L. Bryan, pastor of the church.

Den One of Cub Pack 122 of the Wilson school PTA met Tuesday in the home of Mrs. Beverly Singlet, 2812 Edgewood.

Refreshments were served to Rex Buzan, Bruce Jones, Mace and Keith Rodgers, Steve and Larry Harris, Eddie Duke, Mike Mayes and Den Chief Larry Wright.

RETURN FROM INAUGURATION

Mrs. Robert Weeks, Mitchell, Madison county Democratic organization chairman, and Mrs. Cecil Datt of Madison, Democratic state party committeewoman, among other county residents, returned Sunday evening from Washington, D. C., where they attended the inauguration.

They also attended other festivities at the nation's capital, provided by Sen. Paul Douglas, U.S. Sen. Melvin Price for the Illinois visitors. Others in the Quad-Cities who attended were Andy Rapson, Gordon Heath, precinct committeewoman of Chouteau township One of Mitchell, Willard Portell, circuit clerk, John Hays, county auditor, Von Dee Cruise, township assessor, and Sandy Pence and Arthur Wacker.

They went by train and were accommodated at homes in Baltimore, Md. They traveled by bus to the capital and were able to attend despite having to wade through seven inches of snow.

Girl Scout Troop 29, under the leadership of Mrs. Jeri Scheidt, met at the Mitchell school Tuesday afternoon and elected new officers.

Pat Franko was elected secretary, and Brenda Schaefer, under the Kool Kats party, Sandra Dix was elected leader. Sandra Dix was named leader of the Nutcrackers patrol.

The troop sang and made plans to start working on different badges at the next meeting. Those present were: Mrs. Wood, Donna Frett, Brenda Schaefer, Donna Moerlan, Meloney Wolf, Linda Lude, Janet Belcher, Sandra Dix, Marie Scheidt and Pat Franko.

Mr. and Mrs. Harold Duckett of Volga place had as their guests over the weekend Mrs. Nelson Meador, Ray Meador and Mrs. Paula Little of Memphis, Tenn.

Moore Lodge 'March of Dimes' Dance Saturday

Moore Lodge 272 will sponsor a dance at 9 p.m. Saturday at the club in an effort to raise additional funds for the "New March of Dimes" drive.

Clarence Meyenberg, chairman of the Civic Affairs committee, said the lodge will pay the bill for the orchestra and other expenses incurred. All proceeds will go to the local drive fund. Tickets will go on sale at the door for \$1.

The "picket fence" drive, conducted in the club room of the lodge, has netted more than \$150.

The club will pick up more than 300 containers next week at Granite City and Mitchell business places, will count the money and turn it in to campaign director Mrs. Roberta Lambert.

The containers were distributed by the lodge early this month.

16 Attend Kiwanis Divisional Meeting

More aid to youth was emphasized at the Kiwanis divisional meeting held Tuesday at Edgewood.

Sixteen members of the Granite City Kiwanis Club were among 150 representatives of the 10-club group.

Vern R. Dirks, Chicago, governor of the Illinois-Eastern Iowa district, urged the clubs to play a bigger role in helping develop more youth activities.

Dirks, whose son, Wayne, is married to the former Linda A. Walker, daughter of Mr. and Mrs. Robert Walker, of Granite City, said programs undertaken by the Chicago clubs have resulted in the reduction of juvenile delinquency cases.

Precise Thief Picks Out Proper Parts

A precise and thorough thief not only stole a dismantled motorcycle, but also picked out the proper parts from the cycle's disassembled engine that had been mixed with parts of an English motor.

The theft was reported to Granite City Police Monday afternoon by Dale Johnson, 1611 Spruce street, who said it occurred during the past two months.

Police surmise the thief, who apparently had a knowledge of U.S.-built motorcycles, probably had plenty of time to haul away the frame and then pick out the proper parts.

Autos Collide When One Skids On Ice

Involved in a collision Tuesday afternoon in the 3400 block of Delmar avenue were auto driven by Phyllis Crews, 20, of 2422 Edison avenue, who was traveling south, and Louis Korlik, 68, of 2900 Washington avenue, who was going north.

Police said the autos were passing between parked cars when one skidded on the icy pavement. There was damage to the fronts of both cars.

Delinquent Property Tax Sale—1720 Items

Nearly double the amount of property sold in 1959 was sold in last week's sale of delinquent tax property conducted at the courthouse in Edwardsville by County Treasurer Daniel E. McGee. It was reported this week.

Deputies in McGee's office are in the process of compiling the amount of the sale but said the financial return from both the "scavenger" and regular sale will be considerably more than in previous years.

Property sold in the "scavenger" sale for property with delinquent taxes over 10 years was more than double the number in 1959. There were 138 pieces sold last week as compared with 68 last year.

In the regular sale of property with delinquent taxes under 10 years, 1582 pieces were sold, an increase of 300. Results of the "scavenger" sale are to be presented to the county court for approval by the end of this month, when the proceeds will be indicated.

Madison Rotary Honors Purdes On Birthday

Joseph Purdes, 1610 Fourth street, immediate past president of the Madison Rotary club, was honored by the club members with a birthday party yesterday at his home following the weekly Rotary luncheon at the Madison recreation center.

Purdes is recuperating at his home after becoming ill this fall. A birthday cake was presented, with the group singing the birthday song to him, and refreshments were served.

During a brief business meeting at the recreation center, preceding the visit, the club heard a recorded talk by Rotary International President J. Edd McLaughlin of Falls, Tex., marking the 50th anniversary of the Rotarian, official Rotary magazine, The club presents one-year subscriptions to all its guest speakers.

The publication has grown from a journal of the 16 Rotary clubs in 1911 to its present role as the "voice" of 500,000 members of nearly 11,000 Rotary clubs in 119 nations. McLaughlin related, urging the members to "use the ideas you find there to attain higher business standards, enlightened human relations, more genuine community service and world understanding."

Synthetic Furs Causing Problems For Cleaners

Dry cleaning patrons were issued a warning today by Durward Cooley, manager of Ajax Cleaners and president of the Tri-Cities Dry Cleaners Association, of a new slating chemical being used in linings of man-made furs and when dry cleaners attempt to clean the garments, the plastic dissolves into a gummy substance which either sticks in the cleaning machines or creates a soapy foam, Cooley said.

Cooley went on to urge the public to take the cleaning lining the 50th anniversary of the instruction label which is attached to the furs to their cleaners. He said a test is made on a corner of the garment if the label is not present.

Cooley said the label is not present.

Steps Taken Now Will Enable Adequate Pollution Planning

Pollution of the Mississippi and other rivers is an evil that the state and federal governments have given strong indications they intend to correct. The procedure being followed is to require action at the local level, and the task is being given consideration in each city here.

Venice officials' application for federal surplus outlines the scope of that city's pollution abatement problem — a \$375,000 interception, treatment and pumping facility. With all three cities taken into account, the cost is much greater, and the proposed Venice study is intended to show whether it would be most economical to proceed alone, act jointly with other cities or ask the East Side Levee and Sanitary district to shoulder the task.

The project is large and the main problem is likely to be financial, although the study that is in progress in Granite City is expected to show the way to some economies through a reduction in industrial waste.

In cities where the public has shown a reluctance to commit funds for pollution abatement, taxpayers and voters have learned that the work is a "must" and that spending for it by the municipal government can be required. For this reason, as well as the health and recreation advantages of clean waterways, it is hoped that the study will be taken now while there is yet time for sound and adequate planning.

Eating, says an expert, is a matter of taste. Yes, and sometimes cash.

Quad-Cities Endowed With Many Beauty Contest Winners

We are not surprised, because it is well known that the Quad-Cities have more than their share of fetching young ladies. But two successive victories — Patricia Sexton in 1960 and Marianne Wagner in 1961 in metropolitan area Junior Achievement queen competition leave us wondering where the trend will end; it would hardly be neighborly for this community to win all the titles.

It will be recalled that the Quad-Cities also produced Miss Illinois and Miss Missouri pageant winners in past years, as well as many beauty finalists and a previous Junior Achievement queen. The record of three JA queens is unprecedented; no other area has been blessed with such a bevy of capable, attractive and charming "businesswomen."

Some local seasons may be lacking in resort weather, but it is undeniable that this area has a plentiful supply of femininity that would enhance any pool or beach. Young men completing their schooling and planning a career would be wise to locate here.

Long Record of Aid To Venice Crippled Has Few Parallels

The Venice Crippled Children's Organization's long record of service has few parallels in the community. Since its inception, the organization's annual benefit ball Saturday evening will be its 23rd in succession.

Long instrumental in fighting polio, aiding rehabilitation of the crippled at the Shriners' Hospital and meeting expenses of Venice residents crippled by accidents or illness, the organization currently is making plans for an even broader program due to the success against polio.

Over the years, many thousands of dollars have been devoted to restoring the lame to normal lives. Few endeavors are so noble, and the 23-year record speaks eloquently of the participants' dedication to their voluntarily assumed responsibility.

The Institute of Life Insurance reports U.S. life insurance companies have a total investment in real estate of \$3.78 billion.

Start In Mid-February

Practical Politics Courses Being Organized By C. of C.

Action courses in Practical Politics, which have proven popular in recent months, are being organized to start in mid-February by the Tri-Cities Chamber of Commerce. It was announced this week by the chairman, John McBride, vice-president and a manager of Union-Staff & Refining Co.

Persons interested in the non-partisan course may telephone the C. of C. office, TR 6-6400. The cost is \$7 per person for materials. So far, 200 men and women have completed the courses here.

Those registering are being asked to designate the time and date they prefer. Past courses have been given at 7:30 a.m. and at 11:30 a.m. with a luncheon. The course developed by the U. S. Chamber of Commerce in response to requests by business and professional people interested in learning about politics is held in a series of nine 1½-hour weekly workshops. Twelve to 20 persons participate in the seminar.

Less Overlapping, Fewer Elective Posts Being Urged For Local Governments

Food for thought is afforded by a report of the Assembly on Illinois Local Government which urges reorganizing of the overlapping jurisdictions of local governmental bodies and elimination from the ballot of officials whose duties are purely administrative rather than policy-making.

State, county and local educational, governmental, business and agricultural representatives meeting under University of Illinois auspices also recommended a ban on new cities having inadequate tax bases; consolidation of county functions where individual counties are unable to provide needed services; continued upgrading of governmental personnel while avoiding abolition of political patronage; and formation of citizen groups to stimulate and maintain popular participation.

The general goal of "a clearer line of responsibility between the voter and local government" is praiseworthy, for the existing state of governmental responsibility is not fully understood by the public and probably never will be unless it is simplified.

At the same time, practices that have been established over a period of many years must not be eliminated or drastically revised without adequate thought and study. But the fact that the topic is being given increasing attention by state and federal authorities, municipal associations and study groups indicates that some improvements may soon be within reach.

Courage, Coolness By Police In Hazardous Occupation

Twice during the last weekend, Granite City police officers faced in both instances the suspect was arrested with no one being injured.

Gunplay on two successive nights is rare, but it illustrates the hazards inherent in police work. And, whenever possible, wounding or killing must be avoided lest a "trigger happy" reputation be acquired.

Police are called upon regularly to risk their lives in the cause of maintaining law and order and defending people and property. That they are capable of both courage and cool-headedness is borne out by the results of the past weekend's activity involving armed law violators.

New \$80 Billion Budget Weighs In At Four Pounds

Facts and figures contained in the yearly financial document of the United States federal government are sure to have a far-reaching effect on everyone, though a little time is necessary to adequately assess each new budget due to its length. One of the most fascinating statistics issued so far this year is that the new budget weighs four pounds, seven ounces. Although it is 1136 pages long, it is slightly under two inches thick — a trifle thinner than the Manhattan telephone directory.

Another interesting sidelight is that the \$80.9 billion total figures out at \$436.83 for each man, woman and child in the nation, or \$3.79 higher per capita than the current fiscal year's \$78.9 billion appropriation.

Illinois will pay almost \$6 billion or 7.2% of the total, based on new population records. Residents of this state are "mortgaged" for an estimated \$20.3 billion through the \$283.4 billion federal debt projected for June 30, 1962.

The new budget will not become final for some time; in fact, it may be widely revised by Congress and the new administration. This much, however, is certain: for each billion added or subtracted, Illinoisans will pay or save \$71,700,000.

Two Autos, Both Making Left Turns, Collide

Two autos, both making left turns, were involved in a minor accident Monday afternoon at the intersection of U. S. Highway 67A and West Pontoon road. Police said Brooks M. King, 38, of St. Louis was driving west on West Pontoon road and making a left turn; while the other car was being driven south on Highway 67A by Geoffrey C. Chaboud, 18, of 2865 Ralph street, who also was making a left turn. There was damage to the left front of the King auto and to the left rear of the Chaboud auto, police said. No injuries were listed.

Auto-Truck Accident

Involving an accident Monday afternoon at Edgewood and St. Clair avenues was an auto driven by Carol Ann Lisiba, 20, of 2902 Maryville road, who was going south on St. Clair avenue, and a truck being operated east on Edgewood avenue by J. L. Bockwinkel, 33, of St. Louis. No injuries were reported. However, there was damage to the front and right side of the auto, which was towed away.

Fires Damage House, Car In Venice Tuesday

Fire originating at a flue damaged a wall and ceiling in one room and the roof of a frame home occupied by Geraldine Pearson, 111 Slough road, at 3:40 p. m. Tuesday. Venice firemen answered the

alarm and were able to limit damage to the building. No estimate of the loss was made. The department also was summoned at 10:23 a. m. Tuesday to 1242 Robin street, where the 1954 auto of Joe Cagle had caught fire. Gasoline that escaped when the carburetor flooded caught fire, causing minor damage to the top of the engine.

Niedringhaus PTA Hears Talk On Safety By Lt. Paul Moore

"Safety" was the theme of the January meeting of the Niedringhaus school PTA held in the school auditorium Tuesday evening.

Lt. Paul Moore of the Granite City police department addressed the group on safety problems in the school areas, after which a question and answer period was conducted on traffic problems in the area.

Lt. Moore urged the parents to cooperate with safety rules and said the results of the school crossing survey conducted by PTAs last year are ready to be presented to the public Jan. 30 at the school. Members and others who are interested are invited to attend.

Rev. Verne Barnett opened the meeting with the invocation and the colors were posted by Boy Scout Troop 12.

Announcement was made of the Area Council meeting held Wednesday, at 7:30 p.m. at the Niedringhaus school. Fred Hacke, local members of a Boy Scout patrol drive to take place Saturday. Anyone having paper to pick up may call Mr. Hacke at TR. 6-1232.

Refreshments were served in the cafeteria after the meeting.

she began her new duties as co-ordinator of Christian education and office personnel at the Natameki Church. She is well known among Quad-City church women, having recently served a two-year term as president of the Quad-City Council of Church Women.

Enroute home, the Marcums attended the Saturday evening meeting of the Billy Graham Florida Crusade. The Orlando Tangerine Bowl was filled with people who sat in a 36-degree temperature to hear the world famous evangelist, they said.

FELLOWSHIP PLANS YOUTH BANQUET

The Christian Youth Fellowship of Central Christian Church held an executive meeting Sunday evening before its regular meeting and made plans for activities for the month of February. The regular meeting was conducted by President Allen Kennedy and prayer was given by Barbara Byrnes.

The group discussed a trip to Marion, Ill., and decided to leave the church at 2 p.m. Friday. The youth banquet will be held Jan. 30 from 6:30 to 9 p.m.

A discussion was held on evangelism. Peggy Lipford is in charge, and the group will try to increase the church's membership. The members studied, with Larry Peppers in charge, and the subject was "War." The worship was led by Barbara Byrnes, assisted by Larry Peppers, on "Love, Faith and Hope." Mary Crouse, assisted by Cheryl Rice, was in charge of decoration and the group played games. Refreshments of popcorn and soda were served by Martha Sponler and Cheryl Rice, assisted by Charlene Butler, Larry Peppers, Mary Whitwell, Allen Kennedy, Mary Crouse, Peggy Lipford, Barbara Byrnes, Conley Howell, Marcia Walker, Carolyn Butler, David McKel, Cindy Laster, Bill Mertz, Warren Nash and Mrs. Bush, sponsor.

After the meeting, choir practice was held, with Mrs. J. G. Rutter directing.

CUB PACK 23 TO OBSERVE SCOUT WEEK

Cub Pack 23 held a regular pack meeting Tuesday night at Stallings school with Cubmaster Charles Bringer in charge. The opening ceremony was given. The pack has a new den mother, Mrs. Doris Wilson.

Boys receiving awards were Bobby Dunsmeier, Bobby Lowell, Frank Mearns, Leo Sprinkle and Scott Rushing. A discussion was held on a window display for Scout, and Bringer discussed the scout fair, a chili supper to be held in March and the "Blue and gold banquet" to be held in February.

It was decided the boys will wear their uniforms to school, and to church on Feb. 12. The pack received the Eisenhower streamer award. The meeting closed with singing of "America." Refreshments were served by Mrs. Betty Walker and the mothers of her den.

Intermediate Girl Scout Troop 31 met Tuesday evening with Mrs. Corrine Kroher, assisted by Mrs. Florence Deatherage. Vice-President Peggy Busby conducted the meeting.

Reports were turned in on international friendship, and a discussion was held. Projects toward proficiency badges were started and turned in, and new songs were practiced.

Those present were Janice Kreher, Stephanie Deatherage, Dorothy Belgut, Linda Hamilton, Karen Deatherage, Virginia Glenn, Peggy Busby and Katie Kaseberg.

Brownie Troop 75 met Tuesday evening at Stallings school with Mrs. Mary Lee Kroher. The girls finished their pictures, discussed a trip to the library tomorrow and started working on plaques containing the Brownie promise. The meeting closed with "Taps."

Present were Laverne Prill, Pamela Britton, Barbara Leckin, Susan Kroher, Paula Elliott, Rita Sue Ernst, Brenda Simmons and Margaret Wilkerson.

Annual Scout Council Business Meet Tonight

Officers will be elected and annual reports submitted at the Cahokia Mound Boy Scout Council's annual business meeting tonight at St. Peter Evangelical and Reformed Church 2101 Cleveland Blvd. A dinner will begin at 6:30.

Richard Tibbals, retiring council president recently promoted and transferred to Chicago by the American Steel Foundries, is flying here to preside at the meeting. Medallions and certificates will be awarded, and the council will consider retiring Camp Sunn as the Sunn Scout Reservation.

February Trials For 27 Under Indictment

Trials of five Quad-Cityans and 22 others indicted by the Madison county grand jury have been scheduled for circuit court criminal settings in the weeks beginning Monday, Feb. 6, and Tuesday, Feb. 14. County offices will be closed Feb. 13, the day after Lincoln's birthday.

Five others listed in the 32 criminal cases on which true bills were returned last month have not been arraigned. Of the 27 arraigned, all pleaded innocent.

Will Enter Hospital

Mrs. Helen Smith, 3217 Carlson avenue, will enter St. Luke's Hospital, St. Louis, Friday to undergo a checkup and a series of tests.

Den One of Cub Pack 23 met Monday evening with Mrs. Mary Lee Kroher, assisted by Mrs. Florence Deatherage. The meeting opened with the pledge and singing. Each boy is choosing a flag and writing about the country. The boys practice plays for the pack meeting and practiced songs. Those present were Michael Boyd, Robert Clark, Dennis Cline, Larry Rapp and a guest, Gary Rapp.

Boy Scout Troop 23 met Monday evening at the Lion's club here Sunday afternoon. The boys studied first-aid and discussed ways to raise funds.

Boys present were Mike Ambush, Dennis Boyer, Charles Wiley, Skip Dean, Willard Hicks, Alan Gettelman, Larry Boyton, Dale Warner, Bill Ashby, Jon Krause and William Surres.

WEEKEND VISIT
James Hoshire, 3829 B street, returned here Sunday afternoon, after spending the weekend with his father, Oscar Hoshire of Avon, Ill.

Brownie Troop 121 met Tuesday evening with Mrs. Ethel Gettelman, assisted by Mrs. Evelyn Bringer. The girls sang, did handicraft and closed the meeting with a song.

Present were Jean Funkhouser, Rita Krause, Sandra Ernst, Pamela Bringer, Sharon Hughes, Sandra Freeman, Brenda Mistoler, Sandy Deatherage, Elaine Rousin, Judith Baker, Daria Sneed, Debbie Grace, Sally Gettelman and Mimi Midyett.

Den Two of Cub Pack 23 met Monday evening with Mrs. Doris Wilson. The meeting opened

with the pledge and cub scout promise, and the boys brought their books up to date. The boys are making articles for next month's pack meeting. The meeting closed with the "living circle." Treats were served to Paul Bowler, Russell Hamilton, John Neminger, Maurice Senior, John Watson, Ronnie Wilson, Michael Barton, Richard Leonard and Den Chief Leslie Hall.

Den Three of Cub Pack 23 met Tuesday evening with Mrs. Betty Walker. The meeting opened with the pledge, and the boys sang, checked activities, talked about Scout America, made a South American toy, practiced for the pack meeting and played games. Refreshments were served to Leon Walker, John Relleke, Gary Walker, Frankie Mehl and Leo Sprinkle.

Den Four of Cub Pack 23 met Monday evening with Mrs. Evelyn Bringer, assisted by Mrs. Ruth Norton. Michael Norton led the pledge, and the boys played games, sang, practiced a play for the pack meeting and closed with the "living circle." Refreshments were served to Gary Harvey, Dennis Bringer, David Dayton, Michael Norton, Dennis Morris and Scottie Rushing.

Explain Junior High Vocational Program To PTA

At the first 1961 meeting of the Coolidge Junior high school PTA, Monday evening in the cafeteria of the school, M. M. Wittwer, principal, gave a talk on the vocational department. Charles Jungels, president, presided.

Dave Whitsell gave the PTA prayer and Jungels led the assembly in the pledge of allegiance to the flag. Membership Chairman Dick Polley announced that the three hundredth member was signed earlier in the evening.

Mrs. Doris Thompson, chairman of the coming style show, announced that the name has been changed to the Spring Style Show. It will be held March 16 in the school cafeteria at 7:30 p. m. Junior high students will model clothing and shoes. Tickets will be sold by the students and PTA members.

A change in the PTA constitution was authorized. It has been known as the Granite City Junior high PTA while it was combined with Central school. This semester another junior high school opened and there are now three in the district. The new adopted was the Coolidge Junior high school PTA, and the old charter is to be secured in this name.

Jungels announced that the annual PTA recognition dinner will be held Feb. 18 in the senior high cafeteria, and Principal Ralph Frohardt is nominating as the unit representative.

In his talk, Wittwer, administrative assistant for vocational and adult education, stressed that the vocational department is primarily to develop the traits, habits and attitudes of students. In the junior high, they learn basic vocational skills needed later in the high school vocational shops.

The program also teaches health and safety in conjunction with learning safe practices as a beginner. This is the first semester in the junior high school that the program has been held and it is coordinated with the other two junior high schools.

A display of the vocational departments was held in the school library. Teachers arranging the displays were Mrs. Beas Coolidge, Mrs. Afton Brennan, Finley Maxwell, James Field, Eugene Etheridge and Ronald Weiss. Among the items were skirts, blouses, tunic tops, stools, plastic letter openers and ice scrapers, trophies, metal ash trays and other items made of metal.

Jungels announced that the February meeting will be on safety and health and will be under the direction of Richard Toddshire and Mrs. Lois Haynes. Refreshments were served by Mrs. Shirley Brown and Mrs. Thompson.

Sorority Plans Joint Meeting With Sister Group

Members of Theta Zeta Chapter of Beta Sigma met last night in the home of the president, Mrs. Philip Tsigolofort, 3432 Lydia lane.

During the business hour, plans were made for inviting a sister chapter to the next meeting to be held at the Officers Club at the Engineer Depot.

Mrs. Leland Brackett, who heads the service committee, reported final arrangements for the "heart" basket to be given to a needy family in the community. A committee composed of Mrs. Delores Dorch, Mrs. James Todd and Mrs. Brackett is completing plans for the Exemplar Degree in the near future for Mesdames Jack Calve, Harvey Ebling, Tsigolofort and Misses Lora Mae Coffman, Marcelle Falsauer, Alice Holshouser, Ruth Stoyanoff, Alice Vig and the sponsor of the group, Mrs. Mearle Harper.

The cultural program on "You and Your Audience" was presented by Mrs. Brackett. After Sunday school class which is the meeting, the hostess served refreshments to 12, including one guest, Mrs. Brandt Tibbitts.

ATTEND GOLDEN WEDDING IN PENNSYLVANIA
Mrs. Delbert McKissick, Mrs. Dan Seymour and Everett Emsel have returned from a week's stay in Pennsylvania. They were guests of their brother-in-law and sister, Mr. and Mrs. Ira Dowell in Edgemoor, and on Sunday attended a celebration in honor of the golden wedding anniversary of the Dowells, former Granite Cityans.

Mrs. Dowell was employed by the Commonwealth of Pennsylvania for many years before he was transferred to Edgemoor. He is now retired.

Before returning the party also visited a brother and sister-in-law, Mr. and Mrs. Melvin Emmel in Reading.

HOSTESS TO YOUNG MRS. CLUB
The Young Mrs. Club met last night with Mrs. Frank Durell, 2815 East 24th street.

After a short business session, the evening was spent at games and awards went to Della Borror, Mrs. Doris Newman, and Mrs. Dorothy White. Mrs. Alvera Drozda received the special prize.

The next meeting will be with Mrs. Eva Wojcik in St. Louis, present.

Union Auxiliary Meet 113: Meets

A meeting of the American Legion Auxiliary, Post 113, was held last night with 25 members attending.

Mrs. Mary Batson was in charge and contributions were made to the Nine-Point program, and the Leonard Wood Memorial Fund.

A legislative report was given by Mrs. Winifred Costello and prizes for the evening went to Mrs. Helen Qualls, Mrs. Kitty Morris, Mrs. Edna Branscomb, Mrs. Joan Hillner and Miss Sharon Carver.

The hostess, Mrs. Branscomb, served refreshments to the group.

Delray Rebekah Lodge 786 Installs Officers For 1961

Installation of Delray Rebekah Lodge 786 members was held Tuesday evening at the Odd Fellows hall in Madison. Mrs. Mildred Robertson of Juanita Rebekah Lodge 477 of Granite City officiated at the formal installation throughout the evening.

A color scheme of pink and green was used in the decorations for the occasion. Silver bouquets were placed over the station of the noble grand and vice-grand, where Mrs. Verma Willman, noble grand, and Mrs. Virginia Gall, vice-grand, were seated.

The new officers were escorted to their stations by Mrs. Pearl Jones of Granite City, district deputy marshal, who was assisted by escorts Mrs. Ruth Thompson, Mrs. Louise Ebersole, Mrs. Betty Barnett, Mrs. Lela Hendrix, Mrs. Katy Bark and Mrs. June Mowery.

New officers installed were Mrs. Willman, noble grand; Mrs. Virginia Gall, vice-grand; Mrs. Evelyn Haselton, recording secretary; Mrs. Ruth Hanebrink, financial secretary; Miss Margaret Brown, treasurer; Mrs. Catherine Oak, chaplain; Mrs. Thelma Stockton, conductor; Mrs. Lucille Veach, warden; Mrs. June Mowery, inside ward; Mrs. Irene Miller, outside ward; Mrs. Edna Foster, right supporter to the noble grand; Mrs. Betty Barnett, left supporter to noble grand; Mrs. Elsie Vance, right supporter to vice-grand; Mrs. Lila Sanders, left supporter of the vice-grand.

GCAARC Discusses Teacher Scholarships

The Granite City Association for Aid to Retarded Children held a monthly meeting Monday evening at St. John United Church of Christ on Nameoki road.

William Cople presided at the meeting and reported on a meeting of the advisory board earlier in the month at which scholarships for teachers of special education were discussed.

Rev. Alfred Bulis of Hope Lutheran Church reported on a meeting at the church for mentally retarded children, and the summer day camp committee was appointed. The members include Mrs. Ivan Reileike, chairman, Mrs. Eugene Tondra, Sandra, Mrs. Francis Coccagne and Mrs. Black. Fourteen members were present at the meeting.

The next will be held Feb. 27.

PLANS MADE FOR SCOUT BANQUET

The Den Mothers of Cub Pack 24, sponsored by the Frohardt school, met Tuesday afternoon in the home of Mrs. Iris Watson, 3325 Terrace lane, to complete centerpieces and favors for the Blue and Gold banquet, which will take place Feb. 14 at First United Presbyterian Church, 22nd street and Delmar avenue. Tickets may be secured from any of the Cub Scouts.

Present were Mrs. Marie Phelps, Mrs. Alvina Thoreau and Mrs. Doris Nichol.

The Women of the Moose held a scheduled meeting last night at the Moose Hall, 24th street.

Mrs. Rose Halbert, senior regent, was in charge and six centerpieces were accepted. Prizes for the evening were won by Mrs. Anna Gasparovic and Mrs. Golda Coleman, and plans were made for the next meeting Feb. 28. Thirty-two members were present.

Mrs. Hampton To Be Honored By Moose Women

The annual mid-winter conference of the Women of the Moose will take place Sunday, Jan. 29, at 1:30 p. m. at the Jerseyville Moose Home under the auspices of the College of Regent.

Mrs. Marie Hampton of the Granite City Chapter, will receive the Red Stole of Distinction, and Mrs. Helen Oberlin, another member of the local chapter, will serve as investiture officer. Two other members from this city, Mrs. Lulu Gundlach and Mrs. Vervyn Volmer will also assist in the ceremony.

Granite City Chapter 247 will charter a bus for all members who wish to attend the ceremony. The bus will leave the lodge hall, 19th and State streets, at 11:45 a. m.

Mrs. Edith Rhodes, pianist; and Mrs. Eva Clemons, soloist.

Mrs. Clemons of the Delray lodge sang to the retiring noble grand, Mrs. Ruby Wood, and to the new noble grand and vice-grand as they were presented.

The past noble grand jewel from Mrs. Elsie Vance.

Mrs. Wood was presented with gifts from other members of the lodge, while Mrs. Ruth Hannebrink presented her with a gift from the Past Noble Grand club and Mrs. Thelma Stockton presented her with a gift from the officers during her year in office.

Mrs. Wood presented each of the officers with a gift for assisting her.

Mrs. Willman, new Noble Grand, was presented with a bouquet of red roses from her grandson, Ricky Barnett. Jeff Gall, son of Mrs. Gall, Vice-Grand, presented his mother with a corsage of white carnations.

Officers of the Juanita lodge assisting with the installation were Mrs. Lela Stockton, warden; Mrs. Edna Foster, recording secretary; Mrs. Frances Becker, financial secretary; Mrs. Clara King, treasurer; Mrs. Ann Sternberg, inside guard; Mrs. Alice King, outside guard; and Mrs. Nancy Hanebrink, chaplain.

At the close of the installation, refreshments were served to approximately 75 friends, relatives and members of the lodge. A school of instruction will be held at the hall on Feb. 14, with Mrs. Mildred Robertson as instructor.

Reply From President To Local Man's Letter

S. M. Darnell of the 2200 block of Illinois avenue has received a letter from President John F. Kennedy thanking him for a letter in which Darnell wished him success and urged aid for the aged and unemployed.

The reply from Kennedy's Senate office and bearing his signature thanked the local man for the very friendly message you sent to me after my election to the presidency. I am most heartened by the many expressions of good will which I have received. I am sure that they reflect a broad unity of purpose in our nature. I hope that my record during the next four years will sustain your generous confidence.

ANN RUTLEDGE REBEKAH LODGE 47 officers installed Monday evening at the IOOF hall on Nameoki road. Ann Rutledge Rebekah Lodge Installs New Officers

Approximately 75 persons attended the annual installation of officers of Ann Rutledge Rebekah Lodge 47 Monday evening at the IOOF hall on Nameoki road.

The room was decorated in pink and green, the lodge colors, and tall baskets filled with flowers stood at each station.

Those taking office were Joyce Bailey, noble grand; Ann Kunneman, treasurer; Vera Schillinger, financial secretary; Ann Huenken, vice grand; Joyce Lee Barney, recording secretary; Jet Able, musician; Harriet Dugan, warden; Daisy Ross, past noble grand; Violet Kassabum, left supporter to noble grand; Mae Seibert, outside guardian; Fanny Tester, inside guardian; Betty Case, conductor; Bernice Snider, chaplain; and Marvel Clover, right supporter to noble grand.

The retiring noble grand has gifts for each of her officers and in turn received a gift from them.

Mrs. Kassabum presented the past noble grand with her past officer pin and invited her to become a member of the Past Noble Grand Club.

Refreshments were served in the flower-decked dining room at tables lighted with candles.

Mrs. Willman, new Noble Grand, was presented with a bouquet of red roses from her grandson, Ricky Barnett. Jeff Gall, son of Mrs. Gall, Vice-Grand, presented his mother with a corsage of white carnations.

Officers of the Juanita lodge assisting with the installation were Mrs. Lela Stockton, warden; Mrs. Edna Foster, recording secretary; Mrs. Frances Becker, financial secretary; Mrs. Clara King, treasurer; Mrs. Ann Sternberg, inside guard; Mrs. Alice King, outside guard; and Mrs. Nancy Hanebrink, chaplain.

At the close of the installation, refreshments were served to approximately 75 friends, relatives and members of the lodge. A school of instruction will be held at the hall on Feb. 14, with Mrs. Mildred Robertson as instructor.

The Horseshoe Lake Rod and Gun Club, held a club supper Wednesday. There were 29 people present. Beans, ham, salad, cornbread and beets were served.

Mr. and Mrs. J. R. Mitchell's children, Ronnie and Mike, are ill at home with measles.

Mr. and Mrs. Delbert Beaton have as guests their son-in-law and daughter from California.

Mrs. Betty Caple is recuperating from influenza.

Reply From President To Local Man's Letter

S. M. Darnell of the 2200 block of Illinois avenue has received a letter from President John F. Kennedy thanking him for a letter in which Darnell wished him success and urged aid for the aged and unemployed.

The reply from Kennedy's Senate office and bearing his signature thanked the local man for the very friendly message you sent to me after my election to the presidency. I am most heartened by the many expressions of good will which I have received. I am sure that they reflect a broad unity of purpose in our nature. I hope that my record during the next four years will sustain your generous confidence.

MRS. JEFFERS HOSTESS TO EVENING CIRCLE

Mrs. Violet Jeffers entertained the Evening Circle of the United Presbyterian Women's Association Tuesday evening in her home, 1809 Bremen avenue. The meeting was conducted by Mrs. Louise Thompson, and the opening devotionals were given by Mrs. Young Kim. Materials for the current world

service project, the making of Mrs. Thompson, Mrs. Lu Pyle, hospital gowns out of men's shirts, were distributed. Mrs. George Hottzcher, president of the Women's Association of the First Presbyterian Church, was introduced and she extended an invitation to the circle to attend a tea Feb. 10 at the First church.

"In Him Was Life" was the topic of the study lesson presented by Mrs. Lu Pyle. It was taken from the Bible. Other guests were Mrs. Roy Mitchell, Mrs. Alta Stewart, chairman of the association, Mrs. Emmet Beeler and Mrs. Spetvald. The hostess served a late dessert course to the guests and the opening prayer, and the en-

tire group gave the study program on "Doing What Comes Naturally." A late dessert course was served by Miss Weiss to Miss Beverly Long, Miss Ruth Dawes, Misses Judy and Susan Phillips and Mrs. Barbara Smith, advisor for the group.

On Feb. 6, Mrs. Virginia Manning, also an advisor, will entertain the group in her home, 1717 Bremen avenue. COMMITTEE CHAIRMEN New committee chairman of the Hope Lutheran Church Ladies Aid for 1961 are Mrs. Shirley Schaefer, the worship committee; Mrs. Anna Mae Turner, cradle roll committee, assisted

by Mrs. Marie Jensen; Mrs. Adaline Woodruff and Mrs. Frieda Knecht, sewing and cheer committee, with Mrs. Rita Himmerger and Mrs. Ruby Schieber assisting them; Mrs. Loren Kueker and Mrs. Laura Rousso, the Martha committee; and Mrs. Esther Wahrenberg, missions committee. Publicity will be handled by Mrs. Virginia Sanders, Mrs. Ann McDonald, Mrs. Velma Buls and Mrs. Loren Kueker.

Membership Goal Met By Legion Post 113

Tri-City American Legion Post 113 has received a citation from the Illinois Department, American Legion, upon the successful completion of a membership drive which enlisted 433 members, including renewals. The exact number of members registered last year.

Post Commander Alex Ducini also received a 100% membership renewal pin for the membership's efforts during the drive, which has been in progress for several months. Announcement of plans for an

orchestra dance at the post home next Tuesday night was made by Junior Vice-Commander Joseph Summers.

Attending Post 113's meeting Tuesday were 22nd district Commander A. Burt Harris, a member of Post 113, and officers Howard Mathis of Wood River and L. L. Brewer and William Caudle of Granite City. Caudle gave a report on the district convention held last Sunday at Wood River.

Harris and Ducini, on behalf of Post 113, have presented American Legion school award medals to Granite City high school students Phyllis Wallace and David Moss, it was reported, and plan to award similar medals

Power Co. Keeping Up With Consumer Needs, Club Told

Despite "terrible problems" posed by the growing need for electrical power in this area, the planning department of Illinois Power Co. has been able to keep ahead of consumer requirements, E. A. "Bud" Shultz, operating vice-president of the utility, told members of the Granite City Rotary Club Tuesday.

At the same time, the power company must take the basic philosophy of providing quality service at a reasonable cost, Shultz said.

He remarked that this is accomplished by adhering to a number of hard and fast rules, including the economical deployment of IPC field forces, the use of labor-saving devices, the improvement of productivity, preventive maintenance, the development of new methods and new equipment and the pooling of power by utilization of the facilities of other power utilities.

Efficiency Paramount

"Our payroll is something like \$20 million a year, or \$10,000 an hour, so we've got to be efficient," Shultz said.

"By constantly trying to become more efficient, we've been able to reduce by 25% the number of man hours required per customer," he stated. "You may ask: Why then no reduction in my rates? The answer is that we are fighting a desperate battle to try to improve our efficiency and still beat inflation."

"You might say we are running fast to stay in one place." One instance of improvement cited by Shultz was the introduction of a new type A-frame attachment for trucks, a piece of equipment used to erect power poles. This new frame is hydraulically operated, folds back onto the truck and takes one man 14 seconds to erect. Our old A-frame took 20 minutes to set up, using the entire truck crew."

Plant New Power Plan Shultz revealed that IPC is in the process of acquiring a site south-east of Belleville for the erection of a generating power plant. The property will cost "in

excess of \$1 million," and the first power generating unit "about \$20 million," he said.

"Illinois Power doesn't want to serve a depressed area, which is what some people are calling Southern Illinois," he continued. "We wouldn't be investing this much money in a power plant if we felt the area was depressed."

Help in avoiding higher consumer costs comes also from a power pool, which involves IPC, Union Electric Co. and the Central Illinois Public Service Co. Since the late 1940's the three companies have had a working agreement by which they share their reserve capacities.

If the demand for electricity becomes more than any one company can safely handle from its own reserves, reserve kilowatts are available from other members of the pool.

The power is generated and transmitted over power lines often owned by one company, to be used by the customers of another firm. A balance is maintained within the pool, Shultz said, by paying a pay back of power to the lender's supply.

"In some ways we're very different from other organizations," Shultz said. "We maintain no inventory, and there's no such thing as a stockpiled kilowatt. When the customer turns on his light switch, the power has to be there."

Stress Maintenance

"That's why we stress the importance of preventive maintenance. It's better to make the repair before the break happens, and a lot of the company's time is spent in this manner. We'd rather do it then than in the middle of the night, especially when it's cold and the line tinner is crying for power to heat his house."

The power is introduced by E. G. Schmitt, manager of the local IPC office. A brief program on the history of the Rotary Club magazine, now 50 years in continuous publication, was presented by A. C. Stover.

Stover reviewed the magazine's history. Its development as a monthly publication in 1912 and the increase in printing to some 400,000 copies per month today from an original 4000 in 1910.

Mrs. Myrtice Moore, 53, dies suddenly. Mrs. Ramona Moore, 53, of 3009 Ramona drive, was pronounced dead on arrival at St. Elizabeth Hospital at 9:30 p.m. Monday, shortly after her husband, Robert, had come home from work and found her slumped on the floor.

The former Myrtice Newton, she had been under medical care for the past 10 years for a heart ailment. She was a local resident for 34 years.

Mrs. Moore was born in Barlow, Ky. Her husband is a guard at Granite City Steel Co. Also surviving are a daughter, Mrs. Henry (Mary Anna) Thomas, Granite City; a sister, Mrs. Lola Moore, Phoenix, Ariz.; two brothers, Willis Newton, Wickliffe, Ky., and Richard Newton, Barlow, Ky.; and two grandchildren.

Funeral services were held at 1 p.m. yesterday at a Madison funeral home, with burial at St. John's Cemetery. Arrangements are given in the obituary column.

3 Homicide Cases In Madison During 1960, All Cleared

Three criminal homicide cases occurred in Madison during 1960 and all were cleared by arrest, an annual police report showed today. With 183 major offenses, 88 were solved for a 47% mark.

The department also cleared three of four robberies, two of three aggravated assaults, 21 of 40 burglaries, eight of 18 grand larcenies, 45 of 109 petty larcenies and four of six auto thefts.

A total of 1232 persons was taken into custody by Madison police in 1960 for felonies, misdemeanors and miscellaneous offenses, the report by Police Chief Barney Fraundorf disclosed.

The report showed the department made 1239 investigations into criminal violations, major disturbances, vandalism and complaints. Also, many reports

Scout, Unit Competition At Venice Fair In May

Carving of neckerchief slides and the construction of miniature racing cars is occupying the spare time of many Quad-City boys as they prepare for the "greatest show on earth," the annual Cahokia Mound Council Scout Unit Competition in Venice.

In addition to such special areas of competition, each pack, troop and post will compete on a unit basis with other scouting groups to provide the best display booth or demonstration of scouting skills. The varied nature of booths traditionally attracts thousands of spectators.

Members of scout troops will vie in the neckerchief slide contest, with the prize a free week of camping at Camp Summer this summer. The slides will be judged on originality and quality of workmanship.

Cub scouts are preparing the small cars and will race them in a "pinewood derby" at the fair. A long inclined track will be set up to enable the comparative speed of entries to be determined.

Booth subjects open to cub packs throughout Bond county and the southern portion of Madison county include wood working, metal craft, soap carving, masks, jewelry making, photo novelties, leathercraft, electricity, clay modeling, ceramics, basket weaving, ceremonies, Indian lore, cooking, astronomy, knowledge of the city, state and nation, hobbies, scrapbooks, block printing, kites, knots, magic, rail, boat and airplane models, puppets, radio, shadow plays, machines, poster painting, tools, chemistry, conservation, pets—den games, health, gardening, music, safety, toy-making, tumbling and nature and museum exhibits.

The equally wide field open to scout troops includes airgunnery, animal industry, dairying, knife and axe safety, first-aid to animals, fishing, home repairs, cycling, journalism, music, rifle shooting, firebuilding, masonry, mapmaking, plumbing, taxidermy, woodwork, archery, athletics, aviation, bird study, botany, citizenship, first-aid, reading, sculpture, seamanship, textiles, signaling, camping, firemanship, geology, insect life, reptile study, surveying, weather, wildlife, bookbinding, zoology, dramatics, art and advanced phases of the cub scouts' topics.

Among the explorer posts potential topics are communications, navigation, electronics,

were accepted and referred to other city departments for action.

A total of 150 offenses were reported during the year, with seven listed as baseless complaints.

* Of the 1233 people taken into custody, 724 were questioned—718 were found guilty and 409 were released after questioning with no formal charges being filed. Convictions totaled 600 in the original charges and 28 on reduced charges.

Arrests During Year Three persons were charged and convicted of homicide; five were picked up for robbery with three charged and found guilty; 16 for aggravated assault; 14 for 14 charged, two charged on two convicted (one on reduced charge); 80 for burglary, breaking and entering with 15 released, 25 charged, 20 convicted as charged and five

for a lesser offense; 94 for larceny, except auto, with 38 released, 56 charged, 45 convicted as charged and 11 of lesser offense; and ten for car theft with three charged, one convicted on the charge and two on lesser charges.

On misdemeanors and miscellaneous crimes, 80 were picked up for other assaults, of which 64 were charged and 59 convicted; four on forgery and counterfeit, with three releases and one conviction; 31 for embezzlement and fraud; with six charged and one found guilty; two for stolen property offenses; nine on carrying weapons, with seven convictions; six released on prostitution reports; one released and one convicted of a sex offense; two released and one convicted of offenses against the family; 12 on liquor law violations with eight convictions; 42 on drunkenness

with 23 found guilty; 56 on disorderly conduct, 17 released and 39 convictions; and one found guilty.

Driving Charges Thirteen were arrested for driving while intoxicated, with seven convictions as charged and six found guilty on lesser counts; 218 on violation of road and driving laws, with 24 releases, 194 arrests and convictions; 174 of parking violations; 31 with 26 releases, 148 arrests and 147 convictions; 74 on violations of traffic and vehicle laws, with 17 releases and 57 convictions.

All other offenses totaled 140, with 81 releases and 59 charged and convicted. Fifty-six were picked up for suspicion and released.

Of the 183 offenses, 57 are still pending, inactive or closed.

\$300 Fire Damage To House At Sand Prairie A fire apparently caused by a cigarette resulted in an estimated \$300 damage to a divan and the four-room frame home of Garland Robertson on Sand Prairie line about 3 a.m. Tuesday.

Long Lake volunteer firemen responded to the alarm and eight men were at the scene about 15 minutes, according to Chief Orville Smith. He said the estimate covers fire and smoke damage. No injuries were reported.

Sign Is Installed At Mental Health Clinic

A sign identifying 12434 N. Edgewood avenue as the location of the local mental health clinic has been installed over the doorway of the entrance. It was announced today. Arrangements for the new clinic were made by Edwin Reiske, Central Trades and Labor Council president and a member of the board of directors of the County Mental Health Society.

Materials were provided by Kahle Hardware, the metal sign was painted by members of Painters Local 120 and it was installed by Electricians Local 308. The clinic was opened here a year ago, and lack of a sign had caused some confusion for those attempting to locate its offices, an official of the clinic explained.

Hackethals Select Name For Son

David Webb Hackethal Jr. is the name given by Mr. and Mrs. David W. Hackethal of Old Air-ton road to their infant son born Sunday at St. Luke's Hospital, St. Louis.

Local Pastor Holds Series Of Meetings

Rev. B. L. Bryan, pastor of Good Shepherd Church in Glenview, has been holding a series of men's meetings in Dixon, Lombard and Dwight, Ill., this week.

He spoke on mission church development, showing slides of the Good Shepherd Church which has grown from one family a little over two years ago to its present membership of more than 60, and Sunday school enrollment of 140.

"The meetings have been under the sponsorship of the EUB Men of the Illinois Conference of the Evangelical United Brethren Church. Their purpose is to rally the men behind the conference program of church extension."

Auto Skids Into Lumber Prolonging From Truck

A station wagon skidded on icy pavement into lumber protruding from the rear of a truck stopped to make a left turn off State street onto 34th street Monday afternoon. No injuries were listed, although there was damage to the front of the station wagon.

Police said the truck was being operated by Sterling R. Wickham, 26, of 2424 Bryan avenue, who was stopped to make a left turn. Both vehicles were traveling north on State street.

Taxicab Skids On Ice, Jumps Curb, Hits Tree

A taxicab driver and two passengers escaped injury Monday afternoon when the cab skidded on icy pavement in the 2000 block of Delmar avenue, jumped the curb and struck a small tree in the middle of the block.

The driver, an employee of Checker Cab Co., told police he was driving south when the vehicle slid on the ice and snow-packed roadway. He was George E. French, 25, of 2113 Benton street. Passengers were Mrs. John Reese, 1216 Twenty-seventh street, and her two-year-old son.

Youth Group Will Conduct Services

The Senior Fellowship group of the Mitchell Presbyterian Church will observe Youth Sunday on Jan. 29 with a worship service at 11 a. m. Jerry Lockhart will have the sermon on the topic "Worshipping God." Others participating will be Wayne Worthem, Marilyn Fredericks, Billy Brooks, Tommy Shoemaker, Jada Shane and Mary and Sandy Bush.

Supper will be served at 6 p. m. to the youth group and other groups of young people in this area. It will be followed by an evening program at 7:30. Moderators will be Patty Whyers and Stephanie Deatheridge. Rev. John Emig of Edwardsville, a missionary to South America, will address the young people. Advisors of the Youth Group are Mr. and Mrs. Ardell Brooks, Mrs. James Shane, James Lockhart and Mrs. John Di Giacomo, wife of the pastor.

Second Street Mishap

A collision of second auto on Second street at Alton avenue caused the right front of the car of Charles Sheets, Collinsville, and the right rear of the auto of Eugene Isaac Jr., 23 of 116 Dixon road, Venice, at 6:45 p. m. Monday. Ice was blamed for the mishap. The Sheets car was taken to a garage.

Bishop Pillai Begins Series Here Sunday

Bishop K. C. Pillai, D.D., of Madras, India, is well-known to local ministers. He is to begin a speaking engagement here next Sunday first at the First Assembly of God Church, 24th street and Grand avenue, and then at the First Presbyterian Church, 22nd street and Delmar avenue.

The Bishop, a Hindu convert, will speak nightly at 7:30 from Jan. 29 through Feb. 4 and again at 10:45 a. m. Feb. 5 at the Assembly of God Church, and at 7:30 each evening from Feb. 5 through Feb. 11 and at the morning services Feb. 12 at the Presbyterian church, according to joint announcement by Rev. Paul Evans of the Assembly of God Church and Rev. David Maxton of the Presbyterian Church.

Rev. Vernie T. Barnett, pastor of Westminster Memorial Methodist Church, said, "A few minutes with Bishop Pillai opens a door of insight that years cannot shut."

Rev. James R. Craddock, pastor of Central Christian Church, said, "Bishop Pillai's approach to the Scriptures through first-hand knowledge of Eastern culture is unique and interesting. His message deserves a wide hearing."

The pastor of Nameoki Presbyterian Church, Rev. Calvin Marcum, commented, "The Bishop made the difficult Scriptures become my greatest treasure of workable truth, when seen in the light of the day in which they were spoken."

Adding his comments, Rev. Evans said the Bishop is in this country engaged in inter-denominational ministry, conducting seminars, evangelical lectures and Bible conferences under the title, "Light Through an Eastern Window." During his visit here he will interpret the phrases, parables, customs and traditions of the Bible in the light of Eastern thought.

Charles Youngs Wins Toastmaster Award

Charles Youngs' talk on speech-making gestures won him the toastmaster award at the Toastmasters Club meeting Monday evening at the home of Dr. Leo Coleman.

His talk was the third part of the sixth installment in the club's speech craft training series. The subject was "Delivering a Speech."

Also taking part were Herman Greve, who talked on the posture and dress of the speaker, and Marvin Dean, who spoke on movements and mannerisms. Toastmaster was Herman Greve, Charles Withers was general evaluator and Earl Lee, best critic.

Nine members attended the meeting.

Talks By Pupils, Professor During GCCHS Commencement

Talks by three students will be included in the commencement program of the January 1961 graduating class at Granite City high school at 8 p. m. next Monday. The class totals about 85 students.

Principal Lawrence C. McCaulley will present the class to the University of Illinois, state chairman of the North Central Association of Colleges and Secondary Schools.

A procession by the GCCHS band, conducted by Louis Meek will open the program, with the audience singing the national anthem. Rev. J. T. Bryant, pastor of the Trinity Methodist Church, will offer the invocation before an address on "Entrance" by Marilyn Greenlee, salutatorian of the class.

Address by Valedictorian Donald Dillard, another graduating senior, will present a trombone solo, Simon's "Atlantic Zephyrs," and Valedictorian

Madison High School Band Concert Tonight

The first of two public concerts to be given during the current school year by the Madison high school band will be presented at 8 o'clock tonight in the Madison high school auditorium.

Directed by William Ledbetter, the band will offer a varied program of nine selections. Clarinet soloist Jeanette Dollins will be featured with the band in "Interlude," the 10th selection on the program.

Tickets for the concert, which entitle the holder to attend a second concert by the band in the spring, are available from band students or at the door this evening.

Tonight's program by the band includes "The Steel King March," the overture from "The Barber of Seville" by Rossini, "American Folk Suite," "Finlandia" by Sibelius, "Variations on a Folk Song," "Cari Be-guine," the medley "Hymns of Faith," "Carnival of Music," medley, and "Brass Affaire March."

Auto Being Towed Involved In Crash

An auto being towed by a pickup truck went out of control Monday and crashed into another auto parked in the 2200 block of Lee avenue.

Police said the disabled auto belonging to James Taylor, 22, of 2122 Lee avenue, was being pulled by a truck operated north by George Harrison of Glen Carbon. The parked car belonged to Lilly Snider, 2255 Lee avenue.

There was damage to the left front of the parked car, which was facing south, and to the front of Taylor's car.

April 4 Mixup Still Anticipated

City Adds Precinct In Seventh Ward

No solution to the forthcoming April 4 election polling place problem was offered during Monday night's Granite City council session, but a step was taken toward eventual easing of the usual city election day mix-up.

An ordinance was adopted to establish three city voting precincts in the Seventh Ward instead of the present two precincts, and it is likely more city voting precincts will be set up for the heavily-populated Sixth Ward at the next meeting on Feb. 6.

At present, there are 28 county precincts in Granite City, while the city now will have 22. Still a large number of persons will live in different county and city precincts.

With a double election April 4—a county vote for a justice of the peace and a constable, and a city-township vote on the same day—much confusion is anticipated.

For the county election in the JP district, a voter must be reg-

Teenage 'Dimes Roadblock' CYO Drive Reset

There presently are five city preventive bus stops in the Sixth Ward, Nos. 13, 14, 15, 16 and 17.

To make a complete change-over to make city and county voting precincts coincide would require either city action to change some ward boundaries or an extensive revision by the county board of supervisors.

The county, which added precincts in Granite City last year, can make such changes only during its June or July board sessions, because of state law.

The city council late last year refused to modify ward boundaries to fit the county's precinct boundaries.

The confusion started when city voting precincts were set up a number of years ago and then additional changes made four years ago to add the Eighth Ward.

It is possible, according to City Atty. William Beatty, for the city to lose its Eighth Ward and go back to seven wards if the county boundary changes are made.

The state law setting population figures for municipalities to increase the number of wards was revised since the city added its Eighth Ward, and the new law has not yet been thoroughly interpreted, he advised the council.

Services Held For Robert Carson, 65

Funeral services were held yesterday for Robert Carson, 65, of Red Bud, Ill., a former Granite City resident, at a Granite City funeral home. Burial was at Sunset Hill Cemetery.

Carson was pronounced dead on arrival at St. Clement's Hospital, Red Bud Monday, after collapsing at home. He had been under medical care for a heart ailment for the past six months.

A Granite City resident for 30 years, Carson was a retired sales manager of the Wilco Aluminum Manufacturing Co., whose headquarters are in Detroit, Mich.

After leaving Granite City eight years ago, he resided in California and Michigan prior to moving to Red Bud three years ago following his retirement.

When he lived in Granite City, he was employed at the General Steel Castings Corp. as a blueprint reader.

He was born in Salt Lake City, Utah, and was a member of Red Bud Masonic Lodge 427, Scottish Rite Bodies and the Annapolis Temple Shrine in East St. Louis.

Surviving are his wife, Mrs. F. Carson; a daughter, Mrs. Frank (Katherine) Bosola, St. Louis; three sisters, Mrs. Jennie Prater, Los Angeles, Calif.; Mrs. Chris (Hilma) Berg, Boulder, Wyo., and Mrs. George (Emma) Richardson, San Francisco, Calif.; and two grandchildren.

Arrangements are given in the obituary column.

City Obtains Easement For Sanitary Sewer Line

An easement agreement with Illinois Terminal Railroad was approved Monday night by Granite City council members for installation of a sanitary sewer line under the railroad's right-of-way which parallels U.S. Highway 67A.

The sewer line is to provide connections for the new R. C. Cola plant, which is located immediately south of the A. O. Smith Corp. plant, and for the city's new animal shelter building under construction across the highway from the R. C. Cola plant.

The resolution adopted by the council calls for payment of \$25 to Illinois Terminal Railroad for the easement.

Payment of \$450 to Mrs. Lorene Damo of the 2100 block of Washington avenue for injuries sustained in a sidewalk fall last July was approved Monday night by Granite City council members.

Mrs. Damo, according to City Atty. William Beatty, was injured at 20th and Iowa streets during a brief period of time the city was not covered by liability insurance, and the payment for a release was authorized from city funds to cover medical expenses. She suffered injuries to right ankle and leg.

At the request of Alderman

Second Survey Of Hunting, Fishing Ready To Begin

Interviewing on the second national survey of hunting and fishing will take place in late January and the first half of February, the Department of the Interior announced today. The period covered in the survey will be calendar year 1960.

Complete results will be available in the autumn, probably in September. Data on the size of the hunting and fishing population may be available late this spring. The work is being done by the Bureau of the Census under in agreement with the Bureau of Sport Fisheries and Wildlife, Fish and Wildlife Service. The survey is being undertaken, as was the one for 1955, at the request of the International Association of Game, Fish and Conservation Commissioners.

Cost of the survey will not be charged to general taxes but to the special levy which sportsmen pay through the purchase of hunting and fishing licenses as shotguns and fishing rods. About 800,000 persons will be interviewed. The 1955 survey showed that approximately 25 million Americans 12 years old or older had hunted or fished that year. There is no reason to believe that there will be a substantial increase in 1960 due to such factors as improved conservation measures of state and federal agencies, increased opportunities to hunt and fish, increased population and increased income.

Because of the growing importance of marine sport fishing, the 1960 survey will include a comprehensive study of this phase of angling—the first time such a complete study has been made in the U. S. For freshwater fishermen, data will show the number who fish in man-made ponds, in reservoirs, in natural lakes and ponds and in the rivers and streams. Hunters will be classified as to whether they hunted doves, waterfowl, other small game, or big game.

Maroons Are SWC Victim No. 6, 46-0

Bill "Red" Schmitt's varsity wrestling squad defending champions in the Southwestern conference, assured themselves of at least a tie for the 1960-61 crown here Monday night by blanking Belleville's Maroons 46-0 in a dual meet which had been rescheduled from last Friday night.

The decisive victory, second by the Warriors over Belleville's freshman cage squads at Houston and Bradley.

Up in Peoria, Williams paces Joe Stowell's unbeaten Bradley frosh with a 20.8 average and is being touted as a variety starter next year if he can correct a few defensive weaknesses.

Stowell, down in Texas, Price has maintained a 19.4 points-per-game average over the past two months. The individual mark among Houston University's athletes, who are directed by coach Harvey Pate and have a 7-1 mark.

Neither Price nor Williams are "big men": college basketball

Described by many as the best backcourt duo in Illinois prep basketball when they led Granite City into the state tournament early last spring, Price and Williams have taken up where they left off at GCHS, and are currently the leading scorers for their respective freshmen cage squads at Houston and Bradley.

Up in Peoria, Williams paces Joe Stowell's unbeaten Bradley frosh with a 20.8 average and is being touted as a variety starter next year if he can correct a few defensive weaknesses.

Stowell, down in Texas, Price has maintained a 19.4 points-per-game average over the past two months. The individual mark among Houston University's athletes, who are directed by coach Harvey Pate and have a 7-1 mark.

Neither Price nor Williams are "big men": college basketball

TALENTED FRESHMEN from the Quad-Cities, Bob Price, (left) and Rich Williams (right), who have a hand in successful basketball records thus far for this season as members of frosh squads at Houston and Bradley universities. Price leads his Houston teammates with a 19.4 average, while Williams is sparking the unbeaten Bradley first-year team with an average of 20.8 points a game.

standards. Williams, at 5-11, points, averages 19.4 points a game. Price is considered small even in his 155 in eight. Both boys continue to do most of their scoring from outside.

While the enthusiasm may not consider the drive up to Peoria to witness the Paposes and Williams in action much of a chore, a trip to Houston is another thing.

However, the Kittens will get as close to this area as they will be all season next month when they take part in the Jr. college tournament at Farmington, Mo., Feb. 2-4.

The Bradley frosh will begin the second half of the campaign Saturday afternoon in Peoria, meeting Moline, C. just prior to the TV feature between the Braves and Marquette.

12 Local Students On SUV Dean's List

The names of 12 local students at Northwestern Illinois Campus of Southern Illinois University appear on the Dean's List for the fall quarter released this week by Dean William T. Goring.

Among them are Edward A. Devany, Roy A. Graham, Mary Lou Hudson, Joseph J. Linhart, Virginia L. Niepert, Bobby D. Peterson, Jerre C. Plaff, Edward M. Schroeder, James W. Talley, Ruth Ann Williams of Granite City, and Robert E. Norfleet and Robert J. Ovca of Madison.

The list of 153 qualifying students represents an increase of 21% over the fall quarter a year ago, Dean Goring said, in announcing the names. In order to qualify, a student must maintain a grade-point average of 4.25 or better for the quarter.

Zoning Change On Iowa St. Still Pending

Rezoning of about five lots in the 1400 block of Iowa street from R-3 residential to M-1 light industrial will continue to be a topic before the Granite City council.

Residents of the 1400 blocks of Iowa street and Madison avenue have appeared at the last two council sessions in an effort to block continuation of an auto body repair shop on the property near their homes and plan to appear again.

They were told by Mayor Davis after the zoning code amendment was placed on first reading, to contact their aldermen. The proposal is expected to be presented for final adoption at the Feb. 6 council meeting.

At last week's meeting, in view of protests by the delegation, the zoning amendment was referred to the two First Ward aldermen, Estill Von Schmitt, who was not present at this week's meeting, and Frank Nemeth.

Nemeth's Recommendation Nemeth was called upon for a recommendation. He at first asked for further discussion and then said, "We haven't quite decided, but since the building is to be erected, I think something

can be worked out that will be satisfactory."

A permit to erect a brick veneer auto body shop at 1433 Iowa street was issued last week to Andrew Petrovich, but Mayor Davis said the permit will not become official until the council decides on the zoning matter. Some building supplies already have been delivered to the site. It was reported.

As a result of protests by the large delegation, the council is expected to include as a requirement in future light industrial zoning hearings the street addresses of property under consideration. At present, only a large description is required, and the residents of the area said they were unaware that a recent hearing before the City Plan Commission involved property in their neighborhood.

The Plan Commission approved the application since no objections were made.

Several council members called for a rehearing by the Plan Commission, but others pointed out the city attorney has advised that the matter is now in the hands of the council for a decision.

Point To Home Values

The adjacent property owners were given another opportunity to speak and objected to the legal phrasing in hearing notice as well as the location of an auto body repair shop to their homes. Those nearest the proposed building site were described as \$15,000 and \$20,000 dwellings, erected recently because the property was zoned residential.

They also pointed out that other vacant property nearby was zoned commercial instead of residential and suggested Petrovich acquire that. Petrovich replied that the property cost \$4000 more.

Petrovich's attorney, Leo Kenzen, said the general nature of the area was for zoning as light industrial and commercial as set forth in the master zoning plan. "The property adjacent to these lots is zoned light industrial," he added.

The zone amendment was submitted for immediate adoption then withdrawn in favor of first reading. However, Petrovich was called upon for his opinion and asked that the council place it for final passage in order to give a final decision.

However, suspension of rules for final passage failed to receive a two-thirds vote as six aldermen voted for it and seven against. The amendment was re-submitted for first reading and was approved 7-to-6.

FORMER RESIDENT
IS MARRIED

A recent wedding of interest to Quad-Cityans is that of Miss Patricia Ann Davis, a daughter of Mr. and Mrs. Harry E. Davis of St. Louis and granddaughter of Mrs. Julia Prusak, the late Stanley Prusak and the late Mr. and Mrs. Charles Davis, all of Madison, to Walter J. Huelman, whose parents are Mr. and Mrs. Cornelius Huelman of St. Louis. The double-ring ceremony was solemnized last Saturday at 11 a. m. at a Nuptial Mass in Our Lady of Mount Carmel Catholic Church, St. Louis. A reception was held afterward in the Boulevard Room of the Sheraton-Jefferson Hotel in St. Louis.

Mr. Huelman is a graduate of Washington University where he received a degree in industrial engineering. After a brief honeymoon in the east, the couple will reside in Pittsburgh, Pa., where the bridegroom is employed by the Westinghouse Electric Co.

BETROTHED. Miss Carolyn Holshouser, a daughter of Mrs. Margaret Holshouser of Collinsville, formerly of Granite City, whose engagement to Samuel Shambro, a son of Mr. and Mrs. Sam Shambro of Venice is announced.

Personal Shower Given For Miss Carmack

Miss Judy Carmack, a February bride-to-be, was honored at a personal shower Tuesday evening given by Mrs. Janet Kunkel, Mrs. Jane Statta and Miss Norma Setzer in the basement of Third Baptist Church. While wedding bells decorated the room and there was a large white shower umbrella above the gift table. The buffet table held a bride doll and tall white candles lighted the room and tables.

The guest of honor was seated in a white covered chair decorated with wedding bells as she opened her gifts. Games followed and a number of prizes were awarded.

Those present were Mesdames Elaine Parish, Beverly Byrne, Celeste Horn, Joyce Johnson, Shirley Miller, Beverly McEwen, Marlene White and daughter, Patti, Louise Williams and William Carmack, Misses Ruth Ann Williams, Julia Maples, Peggy Carmack, Beverly O'Connor, the honoree and the hostesses.

Miss Carmack will be married Feb. 4 to Stephen French.

CHURCH GROUP TO ATTEND DISTRICT MEETINGS. Friday afternoon 29 young people and their adult leaders from Central Christian Church will leave by chartered bus for a World Fellowship meet for the Southern District of Illinois.

Because of the large number of young people to attend, the meeting will be in two sections. The Chis-Rho, age 12-14, will meet in Carbondale. Those attending will be Chris McCarty, Barry Stuart, Grace McCance, Phyllis Randall, Lynn Craddock, Rebecca Lipford, Beverly Byrnes, Diane Shipper, Dennis Randall, Bob Eberhardt and Mrs. Ruth Lipford, leader.

The older group will meet in Marion. Those from this area attending will be Cheryl Rice, Peggy Lipford, Betty Byrnes, Martha Spengler, Nancy Bell, Janice Shipper, Larry Peppers, Larry Whittell, Allen Kennerly, Dan Lipford, Eddie Mayfield, Brenda Hart, Deborah Spengler, Charles Stephens, Ronald Yates, Michael Lasiter, David Gruen, Edith Seitzer, Anna Sternberg Jr., Mrs. Guya Stuart, leader, and Rev. James R. Craddock.

Larry Whittell is worship chairman for the Southern Illinois District and is responsible for the worship services at the meeting. The group will return late Saturday evening.

Youth Week activities at Central Church will include a youth banquet next Monday evening served in the Fellowship Hall at the church, 2020 Johnson road, for all young people, ages six grade through high school.

PEO BUSINESS MEETING MONDAY. A special meeting of Chapter III of the P.E.O. Sisterhood will hold Monday evening in the home of the president, Mrs. Mary Miller, 1206 Twenty-seventh street.

A dessert course was served to 17 members who made plans to attend a Founder's Day meeting of P.E.O. Friday in Belleville.

Mrs. Miller presided over the meeting which was given over to business.

Bride-To-Be, Miss Crnkovich, Is Honored

Another of the brides-to-be honored at parties this week was Miss Janet Crnkovich who will be married Feb. 11 to Ronald Lentz.

The affair, a personal shower, was held at the home of Mrs. Virginia Parnley, 2733 Iowa street, with the young women who are to serve in the wedding party as hostesses. They are Miss Elaine Prince, maid of honor, and Misses Mary Ann Packer, Jeanette Kern, Charlotte Rice, and Mrs. Sharon Hillmer, Jo Ann Sydek and Mrs. Lorraine Alexander, bridesmaids. Decorations of red and white were used. The refreshment table held a floral arrangement of red carnations flanked at either side with tall white candles and on the mantel was a papier mache bride and groom. Eighteen were present.

HONORED AT SHOWER PARTY

Miss Norma Pfeiffer, a daughter of Mr. and Mrs. William Pfeiffer, former Granite Cityans now residing in Belleville, was guest of honor this week at a bridal shower given at Kirkpatrick Homes by Mrs. Oscar Hall, also of Belleville.

Miss Pfeiffer will be married Feb. 4 to James L. Kueswitt of East St. Louis. The ceremony will take place in the afternoon at the Evangelical and Reformed Church in Fairview.

Approximately 30 guests attended the shower, decorations for which carried out a bridal theme. The refreshment table held a centerpiece consisting of bride doll and the entire wedding party.

Games were enjoyed after the packages were opened and awards went to Mrs. Ann Pfeiffer, Mrs. Mary Knowles, Mrs. Olive Metcalf, Mrs. Estelle Ogle, Mrs. Edith Shafer, Miss Ruth Kueswitt and Miss Harriet Shafer.

Hospital Group Plans To Open Coffee Shop

Plans for the opening of the new coffee shop at St. Elizabeth Hospital in the near future were made at a meeting of the Hospital Auxiliary Monday evening.

Mrs. Chester Kelly, president, was in charge and after silent prayer which opened the meeting, expressed her thanks to all who assisted at the Christmas bake sale.

Mrs. Catherine Pisel is serving as February chairman for tray favors which the Auxiliary members are making one day each month, and plans were formulated for a pillow case party to be held at St. Joseph's Hall April 9. Mrs. Grace Hemmrich and Mrs. Pisel have been appointed co-chairmen of the project.

Sister Mary Thomas, assistant administrator at the hospital, was introduced and spoke briefly on volunteer work, as did her assistant, Mrs. Nedra Moran.

The volunteer workers program will get underway the first week in February. The Auxiliary has voted to sponsor the workers and to join the American Hospital Association which will make all volunteer workers eligible for awards.

Refreshments were served by the Sisters to 35 members, and prizes were awarded to Mrs. Alina Graff, Mrs. Nina Borden, Mrs. Dorothy Westbrook, Mrs. Martha O'Day and Miss Ruth Fletcher.

Golden Age Circle Supper Meeting

A pot luck dinner at noon Tuesday was a feature of the meeting of the Golden Age Circle of Kirkpatrick Homes.

Held in the recreation hall of the project, the meeting was attended by 42, including several guests. The latter were Mr. and Mrs. Ira L. Medcalf, Mrs. J. W. Greathouse, Barry Loman, Cameron Van Buskirk, and David Morgan, executive director of Kirkpatrick Homes.

Mr. Van Buskirk and Mr. Morgan were elected honorary members of the Circle and an inscribed plaque will be presented to them at the Feb. 28 meeting.

Games were enjoyed and several prizes were awarded. The next regular meeting will be held Feb. 14 at 2 p.m.

BROWNIE TROOP TOURS ELECTRICAL PLANT

In the party were Debbie Sparks, Nancy Gitch, Jackie Ross, Linda Jones, Pam Mount, Barbara Settle, Janet Kearns, Holly Stovall, Sheila Schwal, Sheryl Mitchell, Martha Jo Wiley and Carol Baker.

The leaders were presented with hand blown glass and vases and the children received candy treats after the tour.

A PROUD COMPARISON RECORD

That Your Trust and Confidence Helped Us To Achieve

For the sake of comparison, we have taken some 1960 figures from the very large and progressive Dolan Co., St. Louis, to prove to you, our customers and friends, that we, "The Cochrane Agency" are not asleep on this side of the river.

HERE ARE THE FACTS

Big Dolan	Little (but mighty) Cochrane
Office & Sales Personnel — 130	6
Population—St. Louis & County, 1 1/2 million	Granite City Area 53,000
Gross Sales — \$16,709,128.00	\$2,009,437.00
Individual Units "Sold" — 929	198
Salesmen — 72	4
Average Sales Per Man — 12-9/10 units	49 1/2 units

So when you compare the percentages, between the big and the small, man for man, it looks like Little David vanquished Old Goliath again.

Yes, we are proud of our Two Million Dollars in Sales last year, but our greatest pleasure was in creating new friendships, and renewing old acquaintances with real folks, "you" our customers. Won't you join us again this year?

Remember, it costs no more to go "1st Class" at Cochrane's.

The stock of soybeans on Illinois farms is the lowest in five years, according to the Illinois Cooperative Crop Reporting Service.

Total soybeans held on farms on Jan. 1 was 44 million bushels. This is 16% less than a year ago, although 25% above the 10-year average.

Present stocks of feed grain on Illinois farms are considerably higher than a year ago, the large estate records have been kept and possibly the largest in the state's history.

Farm wages are up nearly two percent from a year ago, according to the service. Monthly wages average \$200 with house furnished and \$155 with board and room. Daily wages were reported at \$7.70 with board and room and \$6.20 without board and room. Hourly rates were \$1.10 without board and room.

Appointments of wardens and assistant wardens for state penitentiaries and the Illinois State Farm, Vandalia, are being announced by Joseph Ragen, director of the Department of Public Safety. They are: Frank J. Pate, to be warden at Joliet-Statesville branch; Homer Drin, to be assistant warden at Statesville; Joseph C. Vitok, to be warden at Pontiac; Haskel D. Alvey, to be assistant warden at Pontiac; Clayton King, to be warden at Vandalia farm.

Illinois ranks fifth in the nation in egg production and is gradually reaching the point where imports will be small, according to Harry Fulkerson, superintendent of the Division of Markets, Illinois Department of Agriculture.

Egg grading specialists, Fulkerson said, will be needed more and more as the quality and production of eggs increase in the next few years. Under present law, all eggs sold at retail must be graded.

The first of a series of Egg Grading Schools, sponsored by the Illinois Department of Agriculture, will be held at Southern Illinois University at Carbondale on Feb. 24. One-day schools will be held later in Urbana, Springfield and DeKalb.

There are 7574 registered radiation installations in Illinois, including hundreds of uses of radioactive materials, according to Dr. L. L. Fetherstone, director of the Illinois Department of Public Health.

All such installations must be registered by the department and are subject to investigation for potential hazards to health.

Charge Filed After Crash On Madison Ave.

A charge of failure to yield right-of-way was placed against Marie Kravce, 2304 East 21st street, following a two-car accident Wednesday morning at 30th street and Madison avenue. She posted her driver's license as bond. No injuries were listed.

Police said the Kravce auto which was damaged about the front, was traveling east on 30th street, while the other auto was being operated north on Madison avenue by Eugene A. Monahan, 34, of 2422 Madison avenue. There was damage to the left side of his auto.

40 Madison JHS Students Hear St. Louis Symphony

Forty Madison Junior High school students attended the final concert in a series presented by the St. Louis Symphony Orchestra for school children at Kiel Auditorium in St. Louis Tuesday afternoon.

The concert trip was made by bus, with the students accompanied by Mrs. Shirley Goff and Mrs. Margaret Barker of the Madison school system.

Periodic inspection of use and operation of radiation machines and radio-active materials such as cobalt, radium and gold. These investigations will continue, Dr. Fetherstone said.

To date, 1250 industrial and medical installations have been surveyed by field investigators. Defects that could be remedied easily were found at many of the installations and corrected to eliminate hazards to citizens.

These investigations will continue, Dr. Fetherstone said.

Violinist In Recital At Southwestern U.

Violinist Kyung-Soo Won and his wife Janet Corday, pianist, will be presented in recital at 8:15 p.m. tomorrow in the auditorium of Southwestern University in Alton.

Won is a native of Seoul, Korea, and has appeared with the Seoul Symphony Orchestra as well as the Manila and Cincinnati symphonies. Tomorrow's program, part of a recital series being held on the Southwestern campus, will include Mozart's Sonata in D-Flat Major and the Sibelius Concerto in D Minor, Opus 47.

The concert is open to the public without charge.
